

Dr. Rasmita Samal

Department of Life Science
Central University of Karnataka
Aland Road, Kalaburagi
Karnataka 585367

Phone +91 9000073984

Email rasmitasamal@cuk.ac.in, rasmitasamal@gmail.com

Research Interest

Stem cell biology, cardiovascular diseases, regenerative mechanism, adult cardiac stem cells, biomarker discovery, functional genomics (transcriptomics, proteomics, secretomics), murine model, cancer biology, drug delivery, extracellular vesicles

Positions

Assistant Professor
Department of Life Science
Central University of Karnataka
Karnataka

Nov 2019- present

Senior Scientist
Apollo Hospitals Education Research Foundation
Apollo Health City, Jubilee Hills, Hyderabad
Telangana

Oct 2018 - Nov 2019

Research Focus: Development of anti-cancer drug delivery module using extracellular vesicles

Post-Doctoral Fellow

Feb 2016- Jan 2018

Mentor- Prof. Stephan B Felix
University Medicine Greifswald, Germany

Research focus: Autocrine/paracrine mechanisms involving resident cardiac stem cells in healthy and diseased heart condition such as heart failure

Education

PhD, Molecular Biology University Medicine Greifswald, Germany	2016
Master of Science, Biochemistry University of Hyderabad, India	2008
Bachelor of Science, Biotechnology Andhra University, India	2005

Professional Association

- Young DZHK (German Centre for Cardiovascular Research) member (May 2015 – Feb 18)
- Member of American Heart Association (Nov 2017- 19)

Achievements

Awarded with very good grades (<i>Magna cum laude</i>) for my doctoral thesis	2016
Received UGC-JRF, Dept. of Biotechnology, University of Hyderabad	2008-09
Received Merit Scholarship for good academic performance	2006-08
Qualified GATE in Life Sciences	2008
Best Poster Award, University of Hyderabad on National Science Day	2008
Qualified the National Eligibility Test for Lectureship	2007
Awarded 'Best Student' in academics during Bachelor studies	2005

Publications
