ABOUT GEODE

GEODE, a student event to inspire us to delve deep into the intricacies of the Earth. This event is aimed at providing a platform for the exchange of ideas in the field of Earth Sciences between experts and novices, and to exhibit the myriad faces of Earth Sciences and Central University of Karnataka.

ABOUT CENTRAL UNIVERSITY OF KARNATAKA (CUK)

The Central University of Karnataka (CUK) has been established by an Act of the Parliament (No. 3 of 2009) at Kalaburagi, Karnataka, India. It is a Central University with territorial jurisdiction all over Karnataka and maintains the highest levels of academic excellence and is emerging as a premier national educational and research institute. The main objective of the university is integrating the components of Teaching, Research, Innovation, Training and Skill Development with an aspiration to excel in undergraduate, post graduate and doctoral programs.

ABOUT SCHOOL OF EARTH SCIENCES (SES)

The School of Earth Sciences is one of the first few schools established by Central University of Karnataka. It hosts two departments, offering doctoral, post graduate and undergraduate degrees in GEOGRAPHY and GEOLOGY. The School has some MoUs and close collaboration with eminent National and International Universities and Research Institutions such as Salzburg University, Austria, University of Tartu, Estonia, National Institute of Rural Development, Hyderabad, Central Ground Water Board and Indian Institute of Remote Sensing (Indian Space Research Organization), Dehradun and other reputed institutions for Teaching, Research and exchange programs for both faculty members and students.

HOW TO REACH CUK

Kalaburagi, (formerly known as Gulbarga) is accessible by air, rail and road from all parts of India. Nearest international airport to Gulbarga is located in Hyderabad. The city is well connected with all major cities of India like Bangalore, Hyderabad and Mumbai. The safest and fastest way to reach CUK from Kalaburagi is by bus from the KSRTC central bus stand. The central bus stand is easily accessible by buses plying frequently or by auto-rickshaw.
