Third Annual Report

From The Vice Chancellor

Welcome to the Central University of Karnataka (CUK), which has been established by the Parliament vide the Central Universities Act 2009 (No. 3-C of 2009) at Gulbarga. It is one of the 16 new Central Universities established by the Government of India during the UGC XI Plan Period to address to the concerns of 'equity and access' and as per the policy of the government to increase the access to quality higher education by people in less educationally developed regions which have a Graduate Enrollment Ratio of less than the national average.

The objectives of the new Central Universities have been stated in the Central Universities Act as follows:

1. To disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit;
2. To make special provisions for integrated courses in humanities, social sciences, science and technology in its educational programmes;
3. To take appropriate measures for promoting innovations in teaching-learning process and inter-disciplinary studies and research;
4. To educate and train manpower for the development of the country;
5. To establish linkages with industries for the promotion of science and technology;
6. To pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development.

We are committed to provide the students with as

challenging and as complete an academic experience as possible by adopting the choice based credit system, patterning academics on the Schools of Study system which encourages inter and multi-disciplinary studies and research and having in place progressive and friendly academic initiatives like continuous internal assessment, flexible and up to date syllabi, internet connectivity and access to online journals.

The University is presently functioning from its temporary location in the Gulbarga University campus. Work on the construction of the University's own campus is in full swing at the 621 acres site at Kadaganchi village (Aland Taluka, about 20 kms west of Gulbarga) where we will shift by February 2012. Our new upcoming campus is planned and designed on being an environment friendly and green campus with all buildings built on a gold rating green building concept, seamless wi-fi connectivity, various School of Studies buildings, staff quarters, guest house, hostel, library, modern classrooms fully equipped with modern teaching and technological aids.

I and my colleagues hope that these initiatives help our students to build a solid academic foundation that will drive their careers to greater heights and make them responsible, effective, informed and educated citizens of our great democracy as the University moves to newer challenges and greater heights in this exciting millennium.

-Prof. A.M. Pathan

Executive Council

The first Executive Council of the University has been constituted by the Central Government, (vide letter No. F.42-4/2009-Desk (U), dated 30th July 2009) in exercise of the powers conferred on it vide Section 44 of the Act, comprising of the following members for a period of three years with immediate effect:

About The University

The Central University of Karnataka (CUK) is established at Gulbarga as one of the 16 new Central Universities established by the Government of India by an Act of the Parliament in March 2009.

The CUK, with its territorial jurisdiction all over Karnataka has initiated its activities from the academic year beginning August 2009 in keeping with the philosophy of achieving and maintaining the highest levels of academic excellence, sensitivity to equity and access in enrolment and recruitment and emerging as a premier national educational and research institution in the country. The university is functioning from its temporary premises at the 2nd floor of the Gulbarga University Administrative building where the administrative office, classrooms, library, computer lab and

other infrastructure is presently located.

621 acres of land at Kadaganchi Suntanur villages on the Gulbarga-Waghdhari Inter-State Highway in Aland taluka identified by the Karnataka State Government has been handed over to the university, where the construction work of boundary wall is completed and various buildings for the first phase of campus development has begun. The foundation stone of the University campus was formally laid by Shri. Kapil Sibal, Hon'ble Union Minister of Human Resource Development, (GOI) in the presence of Shri. Mallikarjun Kharge, Hon'ble Union Minister for labour & Employment (GOI) and the Hon'ble Ministers for Education, Water Resources and Minister for Fisheries of the Government of Karnataka.

Special Features

Academics

The University is aware of its being a 21st century institution beginning in an India that is fast emerging as a global hub of skilled and trained manpower and strives to take an active and synergetic role in evolving as socially conscious beacon of knowledge by constantly innovating and updating knowledge and information. The CUK keenly identifies with these thoughts and strives to be a path-breaker in its academic endeavors both in terms of the content and quality of teaching. All courses offered in the CUK are on choice based Credit system, and are inter and multi-disciplinary in content. This University is having School of Study system with Holistic undergraduate experience. The CUK has adopted semester system and continuous internal assessment, relevant and up to date syllabus. Academic freedom to students to choose and design their course of study by picking up components of allied, elective, supportive courses apart from their Core Course of study, Courses have inbuilt component of developing students in a holistic way, etc. are special features of the CUK.

Students are sent to academic tours to national / reputed institutions in their field of study for interaction / exposure in the country at university's cost and Academic collaborations has already been planned with international universities for academic exchange. Several well qualified

more is under way. Experts are invited continually to lecture and interact with the students and faculty. National Seminar/ workshops are organized periodically by inviting peers from the relevant areas.

The University has 148 students on its rolls admitted to various programmes of study as under:

B.A. (Hons.) English	14
M.Sc. (Geospatial Applications in RD)	10
MBA	27
M.Com.	14
M.A. (English)	53 (II and IV semesters)
M.A. (Kannada)	19
M.Phil. (English)	05
M.Phil. (Psychology)	06

University sessional Exams in progress

School of Undergraduate Studies

Examination Branch

**Controller of Exams (I/c):Dr. Ali Raza Moosvi,
Associate Professor of Geography &
Dean, School of Earth Sciences.**

The University follows choice based credit system on semester pattern. Continuous internal assessment is conducted for 40 marks and end semester exams for 60 marks which is evaluated internally by the concerned faculty. The percentage of marks obtained by a student in a course are indicated by a grade point and a letter grade. A Six (6) point scale is used for the evaluation of the performance of the student as given below:

Marks	Grade Point	Letter Grade
75 – 100	5.50 – 6.00	O
65 – 74	4.50 – 5.49	A+
60 – 64	4.00 – 4.49	A
55 – 59	3.50 – 3.99	B+
41 – 54	3.00 – 3.49	B
0 – 40	0.00 – 2.99	F

The Central University of Karnataka, in collaboration with the Central University of Tamil Nadu and the University of Hyderabad, conducted the first Central Universities Common Entrance Test (CUCET) for admission to programmes of studies offered by the newly established Central Universities of Bihar, Jharkhand, Kashmir, Kerala, Karnataka, Tamil Nadu and Rajasthan. CUCET 2010 was conducted on 19th and 20th of June at 30 centres all over India in which about 5000 students appeared.

Apart from the above, the University conducted a separate entrance test for admission exclusively to its own courses in seven exam centres at Hyderabad, Bangalore, Hubli, Dharwar, Belgaum, Mysore and Gulbarga on 9th and 10th of July 2010.

The University conducted its end-semester exams during May and December 2010 for which the results were announced in June and January respectively. 147 students of all programmes and semesters appeared for the same out of which 144 were declared successful. One student was absent and two are appearing for the supplementary exams along with the next batch in the corresponding semesters.

The Library:

The Central University of Karnataka Library, Gulbarga, provides access to information not just to widen the horizons of the users' knowledge but also to support a host of their learning activities that range from book learning and newspaper reading to using e-journals and reading e-books. Librarians are not just the gatekeepers here but the facilitators in a larger process aimed at improving the quality of life of the individual. We are driven by the motto to strive hard with commitment and dedication, which requires team spirit and tenacity to serve the strategic information requirements of the academic community on a continual basis pin-pointedly, exhaustively and expeditiously.

The CUK Library aims to be a leading academic research library. The Library resources comprise Encyclopedias, Dictionaries on various subjects, general collections, valuable source books, critical works as well as specific skills-related books on Personality Development, Time Management and Communication Skills. The Library subscribes to research e-journals, besides subscribing to daily newspapers, magazines and journals. It has also access to INFLIBNET and e-resources.

Computer Lab: The CUK Computer Centre is well equipped with modern computing facilities for students and researchers. Its information technology based learning solutions, multimedia experience, e-resources and high speed internet connectivity over 1Gbps are useful instruments for enlarging students overall knowledge and perspectives.

The computer centre is member of Information and Library Network Centre (INFLIBNET) that ensure students access to online journals services covering J-STOR, Economic and Political Weekly (EPW), Taylor and Francis, Cambridge University and so on. The building wide computer network - Computer Lab, faculty rooms, Library, Administration and Section Office are connected to the LAN, through Cat-6 Cable, high-speed CISCO switches and Router. 1Gbps internet access is well utilized by both the students, research scholars, faculty, administrative officers and non-teaching.
