ABOUT OUR LOGO

CENTRAL UNIVERSITY OF KARNATAKA

The logo represents the universal motif of the 'Tree of Life' which is found across Asiatic traditions as a mystical concept alluding to the interconnections of all life on our planet. It is a central symbol on Indian culture as a metaphor for enlightenment. It is also an enduring symbol of Sufism signifying the endless process of human evolution towards self-realization through knowledge and oneness with the creator. The motto of the University, 'Vidya Dadaati Vinayam', taken from *Hitopdesha*, means 'Knowledge gives humility'.

FROM THE VICE CHANCELLOR'S DESK

It is indeed my pleasure to present the activities of the Central University of Karnataka through this Annual Report for the period from 01st April 2013 to 31st March 2014. The University has initiated many novel ideas to take CUK on to the path of excellence in all its endeavours. The University, since its inception in 2009, has been growing as a result of sustained interest and efforts of the previous Vice Chancellors: Prof. A. M. Pathan, Prof. S. Chandrashekhar, and Prof. S. S. Murthy. We have witnessed significant positive change in terms of both people's participation and engineered growth leading to healthy changes in the University. Our former Vice Chancellors dreamt big and set the tone for CUK to be a premier **National University with international recognition and at the same time addressing large issues of the region.**

Prof. M. N. S. Rao

The University has been expanding rapidly along with the objectives to realise the goals mentioned in the 12th plan proposals of higher education. Harmonising the goals of the 12th plan, along with sustained efforts has been the guiding principles of all the activities at the University. The University has been showing great enthusiasm and commitment to make this centrally funded institution as a place of special attraction for higher education for the youth of our nation.

The University, primarily nourishing post graduate and research programs, is offering courses in Kannada, English, Hindi, Economics, Commerce, Business Studies, Psychology, Social Work, Geography, Geology, Physics, Mathematics, Computer Science, Chemistry and Engineering. The University also offers dual degree courses in Engineering and Applied Sciences which are unique and among the first of its kind in India. The University marching well with these departments, also plans to introduce programs in life science streams, teacher education, journalism, mass communication and law.

It is a matter of great satisfaction to all of us that the University moved into its own campus on 30th November 2013 and now working to consolidate its Academic and Administrative activities in the campus as quickly as possible. The infrastructure expansion is gaining pace and soon the residential accommodation too will be occupied. It is hoped a community on the campus will soon get established. The University is also taking steps for the welfare of various sections.

In recent months, the University has completed moving all its schools of studies to its own campus. The Canara Bank started its operation in the campus beginning from 30/11/2013 and the campus has also seen the operation of the Health Care Centre, Shopping complex, Post Office subsequently. We hope to add a lot more of facilities and progress to set the motion of this University to levels that guarantee great purpose and satisfaction.

Prof. M. N. Sudheendra Rao
Vice Chancellor (i/c)

STATUTORY BODIES

THE COURT

ABOUT THE UNIVERSITY

The Central University of Karnataka is one of the new 16 central universities established in 2009 by an act of Parliament. The University was functioning from its temporary campus at Gulbarga University, Gulbarga. However, currently the University has moved out of GUG campus and functioning completely from its own campus at Kadaganchi, Aland road, Gulbarga Dist. w.e.f. 13-11-2013. The core activities of the university are learning, teaching and research with an aspiration to excel in undergraduate and postgraduate education and research. This year CUK continued a steady trend towards providing opportunities for students from many backgrounds across the country. The University's sustainability, commitment was also met across campus through the work on water and energy management. The University is offering courses in Kannada, English, Hindi, Economics, Commerce, Business Studies, Psychology, Social Work, Geography, Geology, Physics, Mathematics, Computer Science, Chemistry and Engineering. The University also offers dual degree courses in Engineering and Applied Sciences, which are unique and first of its kind in India. The University also plans to introduce programs in life science streams, teacher education, journalism, media communication and law in the near future.

- The University has 1 GBPS leased internet connection provided under the National Mission on Education through Information and Communication Technology (NMEICT). Wi-Fi facility is available to all the students and faculty and additionally, 8 Mbps leased line internet backup connection is also provided.
- Curriculum development workshops were conducted to develop quality syllabus for the ongoing courses.
- Annual sports and cultural events of university ANKUR was held and many students participated in the sports and cultural competitions with great fervor and about 350 prizes were distributed to the winners.
- The students of the University participated in the south zone inter University competitions in cricket, basket ball, table tennis, badminton and kabaddi events.
- Well equipped chemistry laboratory has been established.
- Psychology laboratory was also established.

SPECIAL FEATURES OF THE UNIVERSITY

- i. All courses offered are on choice based credit system and courses with inter and multi-disciplinary in content based on semester system.
- ii. Schools of Studies system
- iii. Continuous internal assessment
- iv. Relevant and up to date syllabus
- v. Academic freedom to students to choose and design their course of study by picking up components of allied, elective, supportive courses apart from their Core Course of study.
- vi. Courses have inbuilt component of developing students in a holistic way (English communication, personality development, computer training, etc)
- vii. Students sent to academic tours to national / reputed institutions in their field of study for interaction / exposure in the country at the university's cost.
- viii. Internships, trainings, industry visits are part of course.
- ix. Student Placement division for MBA students.
- x. Academic collaboration with international universities.
- xi. PG students are offered Merit-cum-Means Scholarship as per Univeristy rules.
- xii. All girl students belonging to economically weaker sections, having annual income less than 6.00 lakhs are exempted from tuition fee and hostel room rent.
- xiii. All Ph.D. students are offered Fellowship of Rs. 8,000/- per month and annual contingency of Rs. 10,000/-.
- xiv. Classrooms equipped with latest teaching-learning aids.
- xv. E-journal and internet facility (wi-fi) available for all students.
- xvi. Hostel accommodation for both boys and girls.

Name of School : SCHOOL OF UNDERGRADUATE STUDIES

Name of the Dean (i/c) : Prof. Sunitha Anil Manjanbail

Contact Details :

1. Phone : 7411690898
2. Email ID : sunitha.manjanbail@gmail.com

Introduction about the School :

The school of undergraduate studies coordinates with other schools and departments to provide a holistic undergraduate experience. It draws upon the academic resources of other schools to offer five year integrated and flexible learning programmes leading to the award of BA (Hons) and M A Degree with exit option after three years with award of BA (Hons) degree in History, Economics, Geography, Psychology and English subjects. Apart from this, the School also offers three year stand-alone BBA programme.

The undergraduate programmes are patterned to provide a holistic undergraduate experience which includes the Foundation Course (FC) and the Social orientation Course (SOC)

The Foundation course is designed not only to develop a student's understanding and grasp in his/her own subject of choice but also to enable them to develop capabilities of lateral thought, integrated understanding, holistic knowledge and a keen cognitive perception of their surroundings. The Social Orientation Course, which is compulsory for students of all undergraduate and post-graduate courses is planned to make the student a responsible citizen wherein he/she will appreciate the country's working laws, resources, culture and develop a spirit that is constructive, informed and positive.

Apart from the above components, the courses include core subjects, elective/allied subjects and language subjects which allow the students to choose and design his programme content.

**Name of School : SCHOOL OF SOCIAL AND BEHAVIOURAL SCIENCES****Name of the Dean : Romate John Ph.D****Contact Details :**

1. Phone : 9448936115
2. Email ID : romatejohn@gmail.com

Introduction about the School :

The School of Social and Behavioural Sciences presently comprises the departments of Psychology, History, and Social Work. This school offers integrated five-year Master's degree programme in psychology, a two-year standalone Master's degree programmes in Social work and Psychology and Doctoral programmes in Psychology, Social work and History. This school provides an outstanding student experience by equipping students with knowledge, skills and the ability to participate globally.

A : DEPARTMENT OF SOCIAL WORK**Head of the Department : Dr. Channaveer R. M.****Faculty profile:**

1. Dr. Channaveer R. M. - Associate Professor
2. Dr. Jilly John - Assistant Professor
3. Dr. Lakshmana G. - Assistant Professor
4. Mr. Sudeep B.S. - Assistant Professor

Profile of the Department :

The Department of Social work offers master's (MSW) and doctoral (Ph.D.) programmes in Social work. The Department maintains Professional network with civil society organizations, NGOs, industries, hospitals, government departments, corporate organizations, rural communities and urban communities. The collaborative networks with such professional organizations enable the students to convert theoretical knowledge into action models appropriate to resolve social issues in the field reality and thus facilitate learning by doing process. The students are given intensive training in understanding the theoretical context, application framework, practice-based skills and evaluate the learning outcome. The curriculum of social work empowers the students with critical understanding, research aptitude, participatory and service learning. Subsequently, the students gain right framework of knowledge, adhere to the pursuit of healthy practices, inculcate appropriate skills and introduce action for development and empowerment of the groups and organizations in the communities. Ultimately, learning by doing-practice with individuals, families, groups, organizations and communities transform the students to take up leadership and entrepreneurship role for development, empowerment, social change and social justice.

Vision of the Department :

Department of Social Work with a blend of interdisciplinary knowledge systems of social, economic, political, behavioural, criminological, management, environmental, law, health, agriculture and technology, aims to generate a cadre of professional social workers, who integrate the value framework of social inclusion, social justice, human rights and social development, and intervene as agents of social change at different levels of society to achieve quality of life and well-being of people.

Names of Programmes / Courses offered**(UG, PG, M.Phil., Ph.D., Integrated Masters; Integrated Ph.D., etc.)****A. Master of Social Work (MSW) -**

- i. Social Development (SD)
- ii. Human Resource Management (HRM)

Placement cell : The Department has established Placement cell for proper guidance of students. Mr.Sudeep, Assistant Professor is the Co-ordinator.

International youth day was celebrated on 23rd August 2013

Prof. Ambarao Uplaonkar delivered a lecture on ‘Dilemmas of youth’

Activities of the Department :

Department of Social Work has adopted Kadaganchi and Suntanur, the two Grama Panchayats of Aland Taluka; and Tarafale and Hanuman Tanda, the urban communities of Gulbarga city. Community intervention initiatives are taken up on social issues through the students. The theme is ‘**social innovation and entrepreneurship for social change**’. MSW Sem.- I & II students continuously visit the villages and urban communities on every Friday and at times on Saturdays to work with the individuals, families, groups and organizations in the communities.

The Department has introduced community intervention initiatives from the academic year 2013, as parts of that social issue are identified and social work response through intervention strategies are introduced in the communities. The social issues taken up are –

1. Community Based Rehabilitation of Persons with Disabilities (PWD): Service interventions to provide access to services for the PWD are introduced in Kadaganchi and Suntanur villages. Persons with Disabilities were organized, their need assessment was conducted and access to services was provided.

2. Skill development of Self Help Groups: Students worked with two Self-help-groups in Tarafale urban community. Initiatives were taken up to improve empowerment and decision making skills of the women.
3. Health interventions for elderly persons: Geriatric Camp and elderly care service are organized in Hanuman Tanda, an urban community. Elderly persons suffering with health problems like poor vision and arthritis were given access to health services.
4. Enhancing Self-esteem of school children: Students worked with the school children in Suntanur and Hanuman Tanda communities. Social activities were taken up to boost the esteem of the children who were academically poor.
5. Enhancing study habits of school children: As part of School Social Work, the MSW students worked with the children having poor study habits and therefore show poor academic performance. Children-friendly activities were taken up to guide and motivate them to take interest in the studies. The study duration of the children has significantly changed due to the interventions of MSW students.
6. Skill development of adolescent Groups: Adolescent groups were formed in Hanuman Tanda and Tarafale communities. The teen aged girls were given a platform and personalized space to share and exchange their needs and concerns. Programmes were organized to sensitize them about gender and reproductive health.
7. Sanitation campaign: Sanitation campaign under Nirmala Bharath Abhiyan was taken up in Kadaganchi and Suntanur villages. Women and their families were mobilized to come forward and forge ties with the Grama Panchayat in the sanitation campaign. Many women took lead role to approach the Grama Panchayat to construct toilets in their houses. Unique feature of the community mobilization is that a SPECIAL GRAMA SABHA OF WOMEN was organized for SANITATION CAMPAIGN in a ward of Kadaganchi village.
8. Women empowerment: The students formed three new Self Help Groups namely Belaku, Keerthi and Navodaya in Tarafale urban community. 36 women belonging to economically and socially disadvantaged category are members of the SHGs.

Micro-Planning - Social Work Camp in Kadaganchi Village

Social Work Camp is part of social work practicum. As part of Camp, Micro-Planning was conducted in Kadaganchi village during the first week of March 2014. The **theme** of Micro-planning was '**Child friendly school, family and community**'. The MSW students were trained in the micro-planning process so as to introduce participatory tools to understand the educational situation in the village so as to come out with a corresponding village action plan for remedying the issues and problems pertaining to child friendly school, family and community.

The students held participatory interactions with different groups in the village. In the evening, cultural forum was able to create entertainment space for the school children across the village. Educational issues of the school children, out of school children and drop out children were observed and reported

through situation analysis of education, social mapping, education-wealth ranking and resource mapping tools.

A special Grama Sabha was conducted exclusively for the school children to discuss the issues of child rights, Child friendly school, family and community. Children making right use of the platform shared their concerns and aspirations.

A) Dr. Channaveer R.M., is University level Co-ordinator of National Service Scheme. (NSS).

- Service interventions for Persons with disability in Kadanchiga – Shivaraj.S.

**B: DEPARTMENT OF PSYCHOLOGY****Head of the Department : Romate John, Ph.D****Faculty Profile:**

- Romate John , Ph.D. - Associate Professor
- Vijyendra Pandey, Ph.D. - Assistant Professor
- Mamman Joseph C. - Assistant Professor
- S. Jeyavel, Ph.D. - Assistant Professor

Profile of the Department:

The Department of Psychology aims to achieve excellence in teaching and generation of new knowledge through research and scholarship, and the provision of service to the nation, and international communities. The Department of Psychology encourages the active participation, association, and involvement of a multi-disciplinary group of psychologists, social workers, rehabilitation professionals, social scientists, scholars, and researchers who contribute to the field of behavioural sciences in a holistic manner. The Department, through education and research, targets to nurture manifold areas of behavioural sciences and attempts to improve the quality of life of individuals as well as the society.

Programmes offered :

Thirty three students have been admitted for all these courses in the department during the current academic year. A foreign student hailing from Thailand has also been admitted for MSc Programme in Psychology during this current academic year.

Course	Intake (seats)	Students admitted
Integrated B.Sc. (Hon.) -M.Sc. Psychology (Exit option for BSc hon. degree after 3 years)	30	19
MSc Psychology	30	13
PhD in Psychology	6	2

Activities of the Departments

The department of Psychology is offering a five year integrated programme in Psychology and a two-year stand-alone Master's degree and Ph.D programme in Psychology. The department also offers two specializations for the Master's degree programme in Psychology namely, Clinical & counseling psychology and Human resource development & Organizational Behaviour.

The department has revised the course curriculum with specific components such as 'Teaching component', 'Learning component' and additional one credit programs besides the existing orientation on inculcating the knowledge through skill training with laboratory oriented and field oriented experiments integrated with field visits, placement, supervised practicum and internship.

Faculty in the department has been actively involved in conducting research, writing scientific papers, attending seminars and conferences regularly besides imparting quality education to the students. The Department has also moderately established a well-equipped laboratory with 122 psychological tests and has recommended good text and reference books to the library.

Following are some of the noted academic related workshops and specific programmers conducted by the department and involved by the faculty during the academic year 2012-13:

Activities of Faculty :

Research publications of Dr. Romate John

**Name of School : SCHOOL OF HUMANITIES AND LANGUAGES****Name of the Dean : Prof. N. Nagaraju****Contact Details :**

1. Phone : 9483513030
2. Email ID : deanlanguages@gmail.com

Introduction of the school

The School of Humanities and Languages, among the to take off in the University comprises of the Departments of English, Kannada and Hindi. In accordance with the mandate of the University, the School strives for an inclusive vision of culture and human development; It promotes inter and multi disciplinary approach in teaching, learning and research. It recognizes that the study of subjects categorized under Humanities and Languages helps us to have a better understanding of the past, while at the same time giving us a clearer picture of what the future holds.

DEPARTMENT OF ENGLISH**Head of the Department : Dr. Basavaraj P. Donur** - Associate Professor**Faculty details:**

1. Prof. N. Nagaraju, -Professor and Dean
2. Dr. Basavaraj P. Donur - Associate Professor and Head of the Department
3. Mrs. Renuka L. Nayak, - Assistant Professor
4. Mr. Mahendra M., - Assistant Professor
5. Mrs. Sreebitha PV, - Assistant Professor

Vision :

The Department of English embodies a vision of evolving over a period of time into a leading center of learning in the country and reaching out to the academia world wide. The Department is committed to inculcate and sustain higher standards of quality in research and teaching, extension and governance, catering to regional, national and global needs.

The Department aims at empowering students from both rural and urban areas to not only face the challenges of future but also enable them to educate people around them to boldly face challenges of a fast changing world. In order to meet the evolving requirements of the knowledge era and to keep pace

with the knowledge explosion in higher education, the Department strives to maintain quality in teaching and research making its students become globally competent and be in a position to ride the wave of globalization and change, without losing sight of the rich cultures and traditions that animate the country.

History of the Department:

The Department of English, the first full-fledged department with which the University started in 2009, is offering M.A. including B.A. (Hons.) and PhD Programmes. The Department represents a dynamic community of learners, researchers and teaching staff motivated to contribute to the ongoing dialogues in their various areas of study. The Department aims to foster a proud tradition of academic excellence, with students involved in widening their horizons of knowledge and faculty members engaged in interdisciplinary teaching but diligent research, creative work, and awareness initiatives as well. The Department is conceived with the broader understanding that humanistic knowledge provides an ideal foundation for exploring and understanding the human experience. It recognizes that the study of subjects categorized under Humanities and Languages helps us to have a better understanding of the past, while at the same time giving us a clearer picture of what the future holds.

Programmes offered by the Department:

1. B.A. (Hons.)
2. M.A.
3. PhD

ACTIVITIES OF THE DEPARTMENT:

Workshop on Syllabus Designing

The Department conducted a Three-Day Workshop on Syllabus Designing from 18th July to 20th July 2013 in which active academicians were invited in order to strengthen and update existing syllabus in the department.

Workshop on English Language Education (ELE)

**NAME OF SCHOOL : SCHOOL OF BUSINESS STUDIES****Name of the Dean : Prof. M.V. Alagawadi****Contact details :**

Phone Number : 9620031954

E mail ID : profcuk2010@gmail.com

Introduction about the School :

In the backdrop of present post globalization world order the growth and development of nations depend upon the inclusive economic prosperity which in turn depends on the education ecosystem that creates change agents and leaders who possess knowledge, skills and the right attitude, India is setting on rich demographic dividends with highest proportion of youth population. This throws open enormous opportunities to educate, train and impart skill sets to students, who are empowered to seize ever opening opportunities of entrepreneurial activity, consultancy, business and economic analyst and to cater to the human resource requirement of the commerce and industry and the overall manpower requirement of the Indian and global economy. In order to nurture and develop the talents in student to face the challenges and to realize the aspiration of higher economic growth and better standard of living, the various programs of undergraduate, postgraduate and doctoral level are offered by the three departments of the school namely, Department of Business Studies, Department of Commerce and Department of Economic Studies.

DEPARTMENT OF ECONOMIC STUDIES AND PLANNING**Head of the Department : Prof. Puspa M. Savadatti****Faculty details**

1. **Dr. Pushpa Savadatti** - Professor
2. **Dr. Suma Scaria** - Assistant Professor
3. **Dr. Trinad Nookthoti** - Assistant Professor
4. **Mr. Basavaraj M** - Assistant Professor

Profile of the Department:

Department of Economic Studies and Planning (DESP) is a premier department in the School of Business Studies established to impart quality education in economics and to promote higher research that seeks to provide policy solutions for economic problems faced by businesses, consumers and economies over space and time. DESP is committed to provide specialist training, skills and expertise to our students to become leaders of change for furthering the objectives of the social, market and governmental institutions they choose to serve. The department currently offers Dual degrees, Standalone MA and Ph.D. programmes.

The uniqueness of the graduate programs at DESP is the diversity of its students' background, qualified faculty from across the country who bring research based knowledge and practical experience into the classrooms and a curriculum that is constantly being refreshed to expose the students to the latest thinking about the key economic issues. The graduate programs emphasized analytical understanding, quantitative training and contemporary policy related applications.

Activities of the Department

- During the academic year 2013-14 syllabus of both UG and PG programmes have been revised and finalised to incorporate the latest developments in the subject and relevant papers to cater the needs of the current market
- Quantitative papers have been introduced for all the semesters of PG and UG which provide required quantitative training to the students
- Along with the theoretical inputs practical component has been introduced through Learning Component. This component has been made compulsory part of the every semester at PG in order to impart analytical, research, communicative, research paper writing and presentation skills to the students to prepare them for the labour market
- Similarly at UG level practical component has been introduced at V and VI semester to introduce UG students to practical aspect of the subject
- Internship is made compulsory for the PG students
- Economics Society has been formed for the students to provide the platform for the overall development of the personality through organisation of various academic, cultural and social activities.

MS. SHUSHMA H.

Conference :

1. Paper presented titled “From Philanthropy to Potential Business Perspective – Strategically” at International Conference on Global Business: Opportunities and Challenges organized by Department of Commerce, Osmania University – Hyderabad during 27th to 29th March 2014.
2. Paper presented titled “Agri-tourism – An Innovative rural Entrepreneurship Venture” at National Conference on Innovative trends in Entrepreneurship in new Millennium organized Dr. Babasaheb Ambedkar Marathwada University, Aurangabad – Maharashtra on 17th& 18th August 2013

3. Paper presented titled “Integrated Education in India: Problems and Prospects” at National Conference on Indian Society at Cross Roads: Problems and Solutions organized Dept. of Sociology, Sri Venkateshwara University, Tirupati on 27th& 28th April, 2013

Workshop :

1. Attended workshop on Knowledge Management on 12 & 13 August 2013 organized by Xavier Institute of Management and Entrepreneurship – Bengaluru.

MS. SAFIA PARVEEN

1. Attended a two day workshop on Knowledge Management for Sustained Growth on August 12th and 13th 2013 at Xavier Institute of Management and Entrepreneurship, Bangalore.
2. Attended and presented a paper on “Role of Women in Knowledge Creation- A conceptual study of SECI model” at the UGC sponsored two day National Level conference on “New Vistas in Contemporary Management – Role of Women” at ASM College for Women, Bellary on January 29th and 30th 2014.
3. Organizing member of ICSSR Sponsored National Conference on “Performance, Challenges and Prospects of MSMEs in India on February 21 and 22nd at Central University of Karnataka, Gulbarga

The School of Business Studies organised two days National Conference on “Sustainable Development and Planning - 2013”

NAME OF SCHOOL : SCHOOL OF EARTH SCIENCES

Dean of the school : **Prof. Syed Ashfaq Ahmed**

Contact Details :

Phone No. : 9845142267

E mail ID : ashfaqsa@hotmail.com

Introduction of school:

The **School of Earth Sciences** work to gain a better understanding of our planet, the resources that support society and the challenge of sustainability. It uses a variety of methods and tools to address research questions, including field work, laboratory and experimental studies, and computer modeling. The School of Earth Sciences is one of the first schools established by the Central University of Karnataka and is home to two departments, offering postgraduate and undergraduate degrees in GEOGRAPHY and GEOLOGY. The School of Earth Sciences is committed to educating a new generation of scholars who will reflect the diversity of intellectual perspectives, life experiences, and cultural backgrounds represented in society today.

As part of the development of Teaching and Research Infrastructure school has undertaken a major refurbishment of our field and laboratory equipment including the purchase of several major new items of analytical equipment. This builds on a recent over-haul of the research facility of the school to produce state-of-the-art suite of facilities which are amongst the best available in the country.

The school has a flourishing and expanding academic community committed to high standards of Teaching and Research. The philosophies and methodologies are drawn upon to embrace the natural and social sciences. Research is represented by our main research thematic groups working on Urban Development, Regional Planning, Agriculture, Water Resources Management, Ore Geology, Geochemistry etc. The work brings us into contact and collaboration with many other disciplines to address the challenges of a changing world.

The School has some MoUs and close collaborations with **Salzburg University**, Austria, **National Institute of Rural Development**, Hyderabad, **Central Ground Water Board**, IIRS, Dehradun and other reputed institutions for collaborations in Teaching, Research and faculty and student exchange programs.

DEPARTMENT OF GEOGRAPHY

Head of the Department : **Dr. SulochanaShekhar**

Faculty Members

Dr. Ali Raza Moosvi	- Professor
Dr. Sulochana Shekhar	- Associate Professor
Dr. Priya Narayanan	- Assistant Professor
Ms. Archana Kujur	- Assistant Professor

Profile of the Department

The Department of Geography today is a burgeoning academic community committed to high standards of research and high quality of teaching.

Geography is one of the most exciting subjects to study at this university. Geography at School of Earth Sciences has an exciting extant and also has a great future. Geography at CUK involves undergraduate teaching in a wide range of lectures, practical classes, Field work and study tour, organised around a three-year course, with an examination at the end of each semester. Postgraduate teaching has continued to evolve in response to new challenges in the subject and in recent years, the Department's commitment to research-led teaching has expanded to include a range of research themes under Human Geography.

Our work brings us into contact and collaboration with many other disciplines to address the challenges of a changing world.

The year 2013-14 was an excellent year and the Department of Geography achieved many mile stones including signing of MOU with National Institute of Rural Development, Hyderabad, organising the first National Conference in the New Kadaganchi Campus , Major Projects from HUDCO & UGC and so on.

Fellowships

Projects

Name of the Faculty	Project title	Period	Agency
Dr. Sulochana Shekhar	Application of Geoinformatics in housing the urban poor	From 01 March 2013 onwards for two years	HUDCO (18.56 lakhs)
Dr. Sulochana Shekhar	Assessing the Environmental impact of urbanisation by using Geoinformatics	From 01 April 2013 onwards for 3 years	UGC Major (12.5lakhs)
Dr. Priya Narayanan	Assessing and modelling the infrastructure crunch of Gulbarga city: Holistic approach to plan a sustainable city	From 01 April 2013 onwards for 3 years	HUDCO 24.7 lakhs
Dr. Priya Narayanan	Modelling the growth of Gulbarga city through CA and agent based models		UGC SAP 6 lakhs

Name of the Faculty	Fellowship	Period	Agency
Dr. Sulochana Shekhar	Commonwealth Academic Fellowship	Sep to Dec 2013	Commonwealth Commission, UK

Seminars/Workshops/Training Program organised by the Department

Date	Name of the conference /Workshop	Sponsored/funded by	Co-ordinator / Convener
1-2 July, 201	Frontiers in Geospatial Technology	Karnataka Science and Technology Academy	Dr. Priya Narayanan
30-31 Jan 2014	KSTA Regional Conference on Science and Technology for Development	Karnataka Science and Technology Academy	Dr. Priya Narayanan
14-15 Feb 2014	2 nd National Conference of UGIT on “ Geospatial Technologies in Natural Resource Management & Disaster Mitigation”	Central University of KarnatakaHutti Gold Mines	Dr. Sulochana Shekhar
Oct 2013 Nov 2013	SuperGeo Software Total Station	Central University of Karnataka	Department of Geography School of Earth Sciences

Online courses Offered by the Department

Date	Name of the Program	Organiser	Co-ordinator
3rd July - 30 th Sep 2013	Ipython spoken tutorials	IIT Mumbai	Dr. Priya Narayanan
5 th Aug - 11th Nov 2013	Basics of remote sensing, GIS and GPS	EDUSAT Program IIRS, Dehradun	Dr. Sulochana Shekhar
03 Feb - 29th March 2014	Microwave Remote sensing	EDUSAT Program IIRS, Dehradun	Dr. Sulochana Shekhar

Invited lectures Organised by the Department

Date	Topic	Speaker
16 th Feb 2014	Remote sensing applications	Dr. Raghavaswamy, NRSC, Hyd
18 th March - 21 st March 2014	Research Methods and Quantity Techniques	Dr. Sivagnanam, University of Madras (Retd Professor)

Dr. ArchanaKujur	6 th May-28 th June 2013	IIRS, Dehradun	NNRMS sponsored training program in GIS Technologies and Advances
Dr. Sulochana Shekhar and Dr. ArchanaKujur	11 th -13 th July 2013	IIT, Chennai	Teaching Learning Center workshop
Dr. Sulochana Shekhar	26 th Sep 2013	CASA, UCLLondon	CASA Workshops: "Tracking, Visualising and Cycling""Modelling Approaches to the Future of International Trade.

Department of Geography organised 2nd National Conference of UGIT on “ Geospatial Technologies in Natural Resource Management & Disaster Mitigation” on 14-15 Feb 2014

Name of the Department : GEOLOGY

Head of the Department : Dr. Mohammed Aslam

Faculty Profile :

SINo	Name	Designation	Area of Specialization
1	Dr. Syed Ashfaq Ahmed	Professor and Dean, SES	Image Processing and Economic Geology
2	Dr. Mohammed Aslam, M.A	Associate Professor and Head	Hydrogeology and Remote Sensing
3	Dr.M.Lingadevaru Dr.	Assistant Professor	Mineralogy
4	Mohammed Aleem Pasha	Assistant Professor	Petrology
5	Dr.K.Channabasappa	Assistant Professor	Marine Geology

Profile of the Department

The Department of Geology was established in the year 2012 with an aim to learn and manage Earth and its resources for the future. The department strives to provide an encouraging environment to the students to learn and achieve success in a diverse and challenging global economy. The Department is offering UG, PG and PhD courses in Applied Geology and Geoinformatics. The department has organized series of invited lectures and actively involved in the conferences/workshops organized by the School of Earth Sciences.

Activities of the Department

Field Training Activities/Projects for MSc Students

The department arranged intensive field training and Geological mapping at GSI (Geological Survey of India) at Kothagundam, AP under the supervision of Dr. Sumit Mithra, Director, GSI for MSc students during February, 2014. Project works have been carried out at premier research organizations like, CGWB (Central Ground Water Board), NGRI (National Geophysical Research Institute), NIO (National Institute of Oceanography), INCOIS (Indian National Centre for Ocean Information Services), IIRS (Indian Institute of Remote Sensing), NRSC (National Remote Sensing Centre), CWRDM (Centre for Water Resources Development), Kerala State Remote Sensing Application Centre and Tata Mines Ltd.

Research Projects

Name of Faculty	Project Details
Prof. Syed Ahmed Ashfaq	Decision Support System for flood risk assessment and management. DST Sponsored Project
Dr M Lingadevaru	Morphology and intensity of Geomagnetic field during Proterozoic as recoded by Indian mafic dykes- NSF funded collaborative research project with Prof. Aleksey Smirnov, Michigan Technological University, USA.
Dr M Lingadevaru	Paleomagnetic studies of Proterozoic mafic dykes of Marwar craton- CIMO, Finland-UGC, New Delhi funded collaborative research project with Prof.Lauri J Pesonen, University of Helsinki, Finland
Dr Mohammed Aleem Pasha	UGC Project entitled "STUDY ON FLUORIDE ADSORPTION PROPERTIES OF LOW TEMPERATURE SALVOTHERMALLY ENGINEERED ZEOLITE FOR FLUORINATED GROUNDWATERS OF GULBARGA, KARNATAKA."

Brief intrudution of the School:

School of Physical Sciences was started in 2012 with the Departments of Physics and Mathematics as its constituents. The primary goal of the School is to provide high quality education in various domains of Physics and Mathematics at the undergraduate and post-graduate levels. The academic programs of the School of Physical Sciences are aimed at creating an environment that promotes research and innovation. The School is creating high quality infrastructure in terms of well qualified faculty, well equipped laboratories, computational facilities and high quality learning materials in various domains of Physics and Mathematics. This infrastructure would be utilized to create motivated young scientists and mathematicians capable of contributing to a "Knowledge Society". Towards this end the School of Physical Sciences offers programs leading to M.Sc. and PhD degrees.

DEPARTMENT OF PHYSICS

Department of Physics Head : Prof. G. Umesh

Faculty details

1. Prof. G. Umesh
2. Dr. Bharat Kumar
3. Dr. Deepak Samuel
4. Dr. Rajeev S. Joshi

Courses offered :

1. M.Sc. in Physics
2. PhD in Physics

Faculty Activities :**PROF. G. UMESH**

Visited Georgia Institute of Technology, Atlanta, USA for 10 days to look for possible collaboration in improving the teaching curriculum and research activities.

Papers Published :

1. V. M. Shelar , G. M. Hegde , G. Umesh , G. Jagadeesh & K. P. J. Reddy, “Gas Phase Oxygen Quenching Studies of Ketone Tracers for Laser-Induced Fluorescence Applications in Nitrogen Bath Gas”, **Spectroscopy Letters: An International Journal for Rapid Communication**, 47:1 (2014) 12-18.

DR. BHARAT KUMAR

Award : DST-INSPIRE Faculty award

Sponsored Research :

Funding agency	Project title	Grants received	Duration
Department of Science and Technology	Electrical interactions between antimicrobial peptide and supported lipid bilayer	Rs. 35 Lakh	5 Years

Papers presented :

1. Paper titled “Stern potential measurements in liquids using electrostatic force microscopy” was presented at the 6th International Conference on Nanoscience and Technology (popularly known as ICONSAT) held during 3rd March 2014 and 5th March 2014 at Panjab University, Chandigarh. The conference was organized by Institute of Nanoscience and Technology, Mohali.

International Conference :

1. Attended “6th International Conference on Nanoscience and Technology” held during 3rd March 2014 and 5th March 2014 at Panjab University, Chandigarh. The conference was organized by Institute of Nanoscience and Technology, Mohali.

Regional Conference :

1. Attended Karnataka Science and Technology Academy two days “KSTA Regional Conference on Science and Technology for Development” from 30th to 31st January 2014.

**DR. RAJEEV S. JOSHI****Awards :**

1. Dr. D. C. Pavate Visiting Fellow award
2. Best Poster award for the paper titled "Strain mediated magnetoelectric coupling in NiFe₂O₄-BaTiO₃ multiferroic composite" presented at International Union of Materials Research Societies – International Conference in Asia – 2013 held during December 16-20, 2013 at INDIAN INSTITUTE OF SCIENCE in Bangalore, India.

Papers published :

1. "Evaluation of the intrinsic magneto-dielectric coupling in LaMn_{0.5}Co_{0.5}O₃ single crystals" *Applied Physics Letters*, Vol: **104**, Page: 202905, March 2014.

Paper Presented :

1. Paper titled "Strain mediated magnetoelectric coupling in NiFe₂O₄-BaTiO₃ multiferroic composite" at international Union of Materials Research Societies – International Conference in Asia – 2013 held during December 16-20, 2013 at INDIAN INSTITUTE OF SCIENCE, Bangalore, India.
2. Paper titled "Evidence of Low Field Magneto-impedance Effect in (111) Oriented Fe₃O₄ Thin Films" was presented at The 58th DAE Solid State Physics Symposium (DAE-SSPS-2013) Thapar University, Patiala December 17-21, 2013

International Conference :

Attended International Workshop On "Ph.D Program for Medical Innovation" (Chaired a session) Feb 16th and 17th 2014.

National Conference :

Attended National conference on Emerging Technologies in Electronics and Communication Engineering – Feb. 2014

Regional Conference :

Attended Karnataka Science and Technology Academy two days "KSTA Regional Conference on Science and Technology for Development" from 30th to 31st January 2014.

DEPARTMENT OF MATHEMATICS

Department of Mathematics Head : Prof. G. Umesh

Faculty details :

1. Dr. G. Janardhana Reddy

Courses Offered :

1. M.Sc. in Mathematics
2. PhD in Mathematics

Faculty Activities :

PROF. G. UMESH

Visited Georgia Institute of Technology, Atlanta, USA for 10 days to look for possible collaboration in improving the teaching curriculum and research activities.

DR. G. JANARDHANA REDDY

Resource person

in "UGC Sponsored Refresher Course" conducted by Bangalore University on 15 February 2014. He has delivered two lectures.

Regional Conference :

1. Attended Karnataka Science and Technology Academy two days "KSTA Regional Conference on Science and Technology for Development" from 30th to 31st January 2014.
2. Visited Bangalore University to give invited lectures in the Bangalore University in February 2014.

NAME OF SCHOOL : SCHOOL OF ENGINEERING

Name of the Dean : Prof. G. Umesh

Contact Details :

Phone No. : 9901184376

Email ID : umesh52@gmail.com

Intrudution of the School :

The School of Engineering started functioning in 2013. The motto of the School is to create the next generation Engineers, capable of serving the society by providing high quality engineering solutions to address the problems of 21st century. The academic programs of the School of Engineering focuses on knowledge assimilation, dissemination and generation. The School is creating high quality infrastructure in terms of well qualified faculty, well equipped Laboratories, Computational facilities and high quality Learning Materials in various domains of engineering. In addition to such infrastructure, the School aims to create an ambience for learning and innovation for the students as well as the faculty. This infrastructure would be utilized to create exceptional human resources for the industries and public organizations, thereby help in building a "Knowledge Society". Currently the School hosts 112 students (two batches) & 6 faculty members.

DEPARTMENT OF ENGINEERING

Co-ordinator : Dr. V. Sandeep

Faculty details :

1. **Dr. V. Sandeep** - Assistant Professor
2. **Dr. Layak Ali** - Assistant Professor

Courses Offered :

1. **Integrated Engineering (B. Tech. & M.Tech) - 5 year program**

B.Tech in

- Electrical Engineering
- Electronics Engineering
- Mechanical Engineering
- Civil Engineering
- Computer Engineering

M.Tech in

- Information, Communication & Computer Technology (ICCT)
- Power & Energy Technology (PET)
- Manufacturing Technology (MT)
- Infrastructure & Environmental Technology (IET)
- Automation, Control & Instrumentation Technology (ACIT)

2. PhD in Electronics and Communication Engineering.

Activities of the Departments/Sections :

1. The School organises “Students Meet” regularly on every Wednesday (2 hrs session), where extra-curriculum activities will be encouraged.

Faculty Activities :

DR. V. SANDEEP

Awards & Presentations :

- Selected as **amongst the top 24 innovators across the country by Economic Times NOW and Times NOW** for the show “*Power of Shunya - Challenge for Zero*” in Sep. 2013.
- Recognized as a “**Corporate Finalist**” at the **3M-CII Innovation Challenge 2014**.
- Shortlisted for **Innovative Projects Award 2014 at Doctoral Level** by **Indian National Academy of Engineering (INAE)**.
- Presented his innovation work on “*Novel Stand-alone 1-Phase AC Generator for Rural Electrification using Renewable Energy*” to **Dr. APJ Abdul Kalam** (Former President of India), **Dr. R. A. Mashelkar** (Chairman, National Innovation Foundation (NIF), and **Prof. Anil K. Gupta** (Vice - Chair, NIF) at IIM - Ahmedabad in 2013.

DR. LAYAK ALI

Paper Published:

1. **Layak Ali**, "Multilevel thresholding in image segmentation using Swarm algorithms" in CSI-2014. Annual Convention and. International Conference on Emerging ICT for Bridging Future, **Springer AISC Series**.

Lectures :

1. Presented Lectures and as Resource person in "National Level Workshop on Introduction to LaTeX and its application for manuscript preparation" at BKIT Engineering College, Bhalki, Karnataka 2013.
2. Presented Lectures and as resource person in "National Level workshop on LaTeX for manuscript preparation" at SKVS Agadi Engineering College, Gadag, Karnataka. 2013.

Workshops attended :

1. Attended workshop on MATLAB & SIMULATION FOR ENGINEERING EDUCATION, organized by MATH WORKS INDIA, on 18th February 2014.

Photographs of Engineers Day Celebrations 2014

Introduction of School:

The School of Computer Science started functioning in 2012. The motto of the School is to build the next generation Software Professionals, capable of serving the society by providing high quality Software solutions to address the problems of 21st century.

The academic programs of the School of Computer Science are focuses on knowledge assimilation, dissemination and generation. The School is creating high quality infrastructure in terms of well qualified faculty, well equipped Laboratories, Computational facilities and high quality Learning Materials in various domains of engineering. In addition to such infrastructure, the School aims to create an ambiance for learning and innovation for the students as well as the faculty. This infrastructure would be utilized to create exceptional human resources for the industries and public organizations, thereby help in building a "Knowledge Society". Currently the School hosts 82 students (three batches) and has 8 faculty members.

DEPARTMENT OF MASTER OF COMPUTER APPLICATION (M.C.A)**Co-ordinator : Dr. Layak Ali, Assistant Professor****Courses Offered :**

- Master of Computer Application (M.C.A)

Activities of the Departments/Sections

Conducted Cultural Activities and Sports

**NAME OF SCHOOL : SCHOOL OF CHEMICAL SCIENCES**

Name of the Dean : **Prof. G. Umesh**
Contact Details :
Phone No. : 9901184376
Email ID : umesh52@gmail.com

Introduction of School :

The School of Chemical Sciences was established in the year 2013 and the goal is to build the institution as a Centre of Excellence to impart Quality Chemical Education and also to promote Innovative Research in diverse areas of Chemical Sciences to benefit the Society.

Department of Chemistry To become one of the well recognized Chemistry Department for higher learning in India and abroad in terms of producing Skilled & Employable Chemists and Teachers who are go-getters meeting the challenges in Chemistry. .

Faculty Details :

Dr. Harish Holla - Assistant. Professor
Dr. Konkallu Hanumae Gowd - Assistant Professor
Dr. N.S. Venkata Narayanan - Assistant Professor

Courses Offered :

- M.Sc-Chemistry (30 Intake)
- Dual Degree (B.S. & M.S.)- (50 Intake) Chemistry one of the Elective.
- PhD-Chemistry (02 Research Scholars enrolled)

Activities of the Departments/Sections

1. Built a state-of-the-art Chemistry Laboratory (Joseph Priestley Laboratory)Inaugurated on : 21st February 2014 by Prof. S.S. Murthy (Former Vice Chancellor)
2. Organized CUK Chemistry Workshop on Dec 31, 2013 : Conducted a Brainstorming session seeking inputs from the following Experts for developing Courses & Curriculum in the newly started CUK School of Chemical Sciences.

Faculty Activities:**DR. HARISH HOLLA**

- Participated as Invited Speaker at D.B.F. Dayanand College of Arts & Sciences, Solapur (UGC Sponsored National Conference).· DST Extramural Project-‘Natural product scaffold based synthesis and Anticancer screening of novel, promising furanopyranones’ (34.5 Lakhs)

DR. KONKALLU HANUMAE GOWD

- Participated as Invited Speaker at Biology workshop held by Central University of Karnataka.
- DST-INSPIRE faculty award “ Disulfide rich conus peptide based scaffolds for functional miniature proteins’ (35 Lakhs)

IAS-INSA-NAS summer research fellows :

- Ms. Priyanka Chakraberty 2014, “Structural diversity through cysteine pattern and disulfide folds in peptides”.

State of art Laboratory ‘Joseph Priestley Chemistry Laboratory’

A Group photo with former Pro-Vice chancellor and current hon'ble Vice Chancellor Prof. M. N. Sudheendra Rao, after the inauguration of 'Joseph Priestley Chemistry Laboratory'

Prof. B.S. Chandrashekar & Dr. Harish Holla at National Conference on Chemistry held on Feb 22-23, 2014 at the Dayanand College of Science & Arts, Solapur.

NAME OF THE CENTRE : CENTRE FOR CLASSICAL KANNADA

Director of the Centre	:	Prof. B. Mallikarjun
Contract Details	:	
Phone	:	9449178768
E mail ID	:	mallikarjun56@gmail.com

Introduction of the Centre :

The University after receiving the assent of the Visitor to the statue vide letter No. F.42-26/2009-Desk (U) of April 19, 2011 from the Department of Higher Education, Ministry of Human Resource Development New Delhi, established the Centre for Classical Kannada.

The objectives and academic functions of the Centre are to: Conduct short term courses in the concerned disciplines and ensure training of future generation of scholars in the classical language for sustenance and continuity; Develop corpus of the texts of classical period including texts of inscriptions; Facilitate teaching and learning Kannada using modern equipment and evolve methods of application of information and communication technology; Hold seminars / workshops / conferences etc; Focus on unpublished manuscripts / inscriptions and epigraphic literature available in Oriental libraries and other repositories; Publish rare written works; Have a regular course leading to Ph.D; Coordinate and provide a think tank in the areas of studies; Provide a veritable archive for the studies in the Classical Kannada; Take up any other programmes / projects as suggested by the advisory committee from time to time.

The work of the Centre is envisaged in a continuous research mode. Prof. B. Mallikarjun is the Director since March 1, 2012. The important works done during the year 2013-2014 are as follows:

1. A committee to formulate Ph.D., curriculum was constituted for framing the syllabus. It met on April 16, 2013 and prepared the same. It was approved by the Academic Council in its meeting on May 3, 2013. During the year 2013-14, three scholars have joined the Ph.D., programme in Classical Kannada.
2. The Second Advisory Committee meeting of the Centre was held on May 29, 2013 at Bangalore. It was chaired by Prof. S.S. Murthy the Hon'ble VC and the following attended the same.
3. A meeting on 'Indian Knowledge Research Initiative' was held at Bangalore on September 20, 2013. Prof. Ramanujan from the CDAC Bangalore made a presentation to the Hon'ble VC and it was discussed
4. Two workshops on *bhaashaashastra* were conducted at Gulbarga from Oct 21 to 25, 2013 and Nov 4 to 8, 2013. They were taught and supervised by Prof. B. Mallikarjun and Dr. Basavaraja Kodugunti.
5. A meeting on use of computers to generate concordances / vocabulary lists / dictionaries etc., Classical Kannada texts and use of information and communication technology tools for Kannada teaching

and research, agenda was held at Bangalore on Dec 26, 2013. The Hon'ble VC chaired the meeting. Linguists and ICT professions interacted on the theme.

6. One workshop was conducted on *shaasana shaastra* at Gulabrga from March10 to 14, 2014. It was inaugurated by Prof. Devarakonda Reddy and also he taught *lipishaastra* in the workshop.
7. The following monographs of the series *shaastriiya kannada adhyayana maale* are prepared and are in press for printing.
 - a. Shaastriiya kannada saahitya parmappare - Prof. K. G. Narayana Prasad
 - b. Bhaaratiiya vyaakaraNa parmappare - Dr. M.K.Sridhar.
 - c. Aadhunika puurva kannaDa krutigaLa bhaashaantara - Prof. O.L. Nagabhushana Swamy
 - d. Hastapratishaastra - Dr. K.Ravindranath
 - e. Kannada granthasampaadaneya samiikshe -Dr.Shivananda Viraktamatha

The following are some of the other academic activities of the Director of the Centre.

- a. Linguistic Landscape of India: Invited Talk. Raman Research Institute, Bangalore. Sep 13, 2013.
- b. Costal Languages of India. Concept Paper. UGC Workshop on Costal Languages of India. Sri. Bhuvanendra College, Karkala. Oct 15, 16, 2013.
- c. Language Diversity: Why Diversity?. A Talk. In the panel on Language Diversity during the World Book Fair in New Delhi. Feb 16, 2014.

**Prof. U. R. Ananthamurthy, Hon'ble Chancellor,
released five books related to Classical Kannada**

LIBRARY

Dr. P. S. Kattimani	- Deputy Librarian
Mr. Raghavendra B.	- Assistant Librarian
Sri.Rajkumar Kalyani	- Junior Professional Asst.
Sri.Ninganna M G	- Library Attender

The Library provides access to information not just to widen the horizons of the users' knowledge but also to support a host of their learning activities that range from books, e-books, journals, e-journal, databases, reports dissertation, thesis, CD/DVDs and newspapers etc. Librarians are not just the gatekeepers here but the facilitators in a larger process aimed at improving the quality of life of the individual. We are driven by the motto to strive hard with commitment and dedication, which requires team spirit and tenacity to serve the strategic information requirements of the academic community on a continual basis pin-pointedly, exhaustively and expeditiously.

Mission and vision

To promote knowledge generation and application through effective dissemination to keep all Library users aware on the latest developments in the field of course curriculum and research and its related areas in and around the world

Objectives

- To support the learning process of all the users through provision of knowledge / Information thro' conventional /non conventional media.
- To meet knowledge / Information needs of the students, faculty and teaching community to support their developmental / programming activities.
- To respond effectively where ever possible, to the knowledge/ information needs of the research and development.
- To act as a repository for all the knowledge created within the University for future development

Library Automation with RFID

LibSys7 is an integrated multiuser library management software, that caters to the needs of an advanced handling library resources and services. The features of Libsys7 Acquisition, Cataloguing, Circulation, Serial control and Web OPAC.RFID is a technology that promises to increase efficiency, productivity and enhance user satisfaction while rendering the services.

Web-OPAC(Online Public Access Catalogue)

It provides the bibliographic databases of library resources with printed indexes. The system includes a word-based search facility using Boolean operators that can narrow down a search to meet very specific user needs.

Institutional Repository DSPACE

Publication of the University and Faculty are being digitized including Thesis and Dissertations, rare material and Archival material also would be digitized and uploaded to Dspace software.

Reserve Shelf/Text Book Section

The important text books recommended by the faculty are kept in this section for reference only. This section acts as a master repository for all the important text books, in case are not available on general shelf to support curriculum and research needs of the users. Special collections on social thinkers and leaders have been kept for reference.

Training Programs

The training programs organized to the Faculty, Research Scholars and Students on Indiatat, Prowess database and SPSS version 20. In near future based on the requirement such training program would be organized based on the request from the user community.

User Orientation and Information Literacy Programs

To promote use and acquaintance of e-resources, learning materials, UGC INFONET e-resources, CD/DVD databases, research communication, presentation skills, information exchange and online access to Internet and web resources, various User focused and training Programs are organized.

Book Bank Scheme

The objective of this scheme is to help the needy students to draw books from the “Book Bank Scheme” for their consultation and use during a particular semester. The issue of these books is in addition to the books which the student is entitled to draw by enrolling himself as a member of the Book Bank Library.

COMPUTER LAB

Mr. VinodkumarTandurkar	-	System Analyst
Ms. Samarthini Serikar	-	Technical Assistant
Shri. Manjunath Mugti	-	Technical Assistant

Vision

The aim is to bring about improvement in our students with modern technology and to enhance their learning skills through computer, software and new educational assets that will allow students to proceed at their own rate according to their ability.

Profile

- CUK computer lab offers access to the Internet, Network and wi-fi in and around campus and computing resources for teaching and learning.
- Around 60 systems are available for independent study, Technical assistants are available to provide support.
- National Knowledge Network (NKN) 1Gbps leased line internet connection provided under the National Mission on Education through Information and Communication Technology (NMEICT).
- Additional 8 Mbps leased line Internet connection as a backup connection.

The following equipments are available:

- CISCO ROUTER Model: 2800 Series
- FIREWALL CYBEROAM Model: 750 ia
- CISCO Switch CATALYST 3560 series
- D-LINK SWITCH 48 PORTS Model: DGS 1024D.
- HP Z420 Workstation.
- MATRIX Eternity EPABX System.
- 20 KVA UPS System.
- Multi Printer (Canon image Runner Advance 4225)
- Projectors, scanners, laptops and public address system (PAS).

Programmes and Facilities

- I. Computer lab has facilitated to conduct virtual classes through video conferencing there by enabling the classes to be conducted from a distant geographical location.
- II. Computer lab has organized weekly discussion sessions on A-View software with eminent research scholars for students and faculties.
- III. Network Management System providing authorized access to the network and internet resources to all CUK research scholars, students and staff.
- IV. In house designing, development and maintenance of the website.
- V. Admission process is also online/offline lab staff has managed the whole process by resolving their quires and helped them in applying the form, even assisted in conducting exams throughout all the exam centres stretched across India.
- VI. Research scholars have been provided with laptops.
- VII. Provides technical support and assistance to students, faculty, and staff. Analyses problems and implements solutions, performs network and server administrator duties, assures system stability, accessibility, and proper configuration of assigned technical systems and components.
- VIII. Performs computer trouble-shooting to diagnose system problems; analyses hardware and software functionality; identifies, locates, resolves and repairs problems within scope of authority.
- IX. Monitors domain environment, resolves configuration and connectivity issues, and other traffic, security, and access problems; checks network for operating efficiency, makes corrective adjustments to data management settings, and assures system integrity; sets up and repairs network hardware.

Activities of the Sections

- I. Computer Lab has organized two day workshop on “**A-view Software Training Programme**” for all CUK faculties and Research Scholars on 9th and 10th April, 2013 at Computer Lab.
- II. 1 GBPS leased line internet connectivity migrated to **National Knowledge Network (NKN)** in the month of September 2013.
- III. Provided technical support to the seminars/conferences/special lectures being held/conducted at CUK by various schools/departments.
- IV. Providing Wi-Fi Connection to various departments in the Campus.
- V. Maintaining the Firewall to provide network security, user creation, setting up policies to user groups in view of attaining optimum utilization of the available bandwidth.
- VI. Maintenance of EPABX intercom services, IP based phones, provided through PRI Lines.

Staff Activities :**Mr. Vinodkumar Tandurkar,**

System Analyst, has attended the following workshop/seminar /meetings:

- I. **Central Public Procurement Portal (CPPP)** training programme on complete process of e-procurement module of NIC on 27th and 28th June, 2013 at NIC, Delhi.
- II. **CCNSP Technical Certification Program** scheduled on 7th and 8th Aug, 2013 at Christ University, Bangalore and cleared the CCNSP exam.
- III. **“Second National Knowledge Network (NKN) Annual Workshop”** jointly organized by the NIC and IISC Bangalore Scheduled from 17th Oct, 2013 to 19th Oct, 2013 at IISC Bangalore.
- IV. Ms. SamarthiniSerikar, Technical Assistant has attended **CCNSP Technical Certification Program** scheduled on 7th and 8th Aug, 2013 at Christ University, Bangalore and cleared the CCNSP exam.

School Building at new campus at Kadaganchi

ADMINISTRATION SECTION

Mr. Veeranna Kammar - Assistant Registrar

Mr. Jagadish G., - LDC

Mr. Md. Qayyum, - LDC

Mr. Md. Aziz - Office Attender

- Prof. M.N. Sudheendra Rao, Professor of Chemistry (IIT-Madras, Chennai) has joined the University as Professor of Chemistry on 7-8-2013. Later he was appointed as the Pro-Vice Chancellor by Executive Council and assumed the charge on 16-08-2014 (F/N).
- Prof. G. Umesh, Professor of Physics, NITK- Suratkal, joined the University as Professor of Physics on deputation basis on 30/09/2013.
- The term of deputation of Prof. S.A. Ahmed, Professor of Geology was extended for one more year by his parent organisation, i.e. Kuvempu University, Shankaraghatta, Shivamogga, to the Central University of Karnataka w.e.f. 01/02/2014.
- Prof. S.S. Murthy, Vice Chancellor, was relieved from the duties of Vice Chancellor, Central University of Karnataka on 28/02/2014, (A/N) as per the letter dated 28-02-2014, from Joint Secretary (CU), Dept. of Higher Education, Ministry of Human Resource Development, Govt. of India.
- Prof. M.N. Sudheendra Rao, Professor of Chemistry, assumed the charge of Vice Chancellor (in-charge) w.e.f. 03-03-2014 (F/N).
- The details of faculty joined Central University of Karnataka in the year of 2013- 2014.

Sl. No.	Name of the incumbent	Designation	Date of joining
1.	Dr. Vuddanti Sandeep	Assistant Professor (Electrical)	25/11/2013
2.	Dr. G. Janardhana Reddy	Assistant Professor (Mathematics)	27/11/2013
3.	Dr. Rajeev Shesha Joshi	Assistant Professor (Physics)	05/12/2013
4.	Dr. Layak Ali	Assistant Professor (ECE)	12/12/2013
5.	Dr. Harish Holla	Assistant Professor (Chemistry)	26/12/2013
6.	Dr. K. Hanume Gouda	Assistant Professor (Chemistry)	17/01/2014
7.	Dr. Bharat Kumar	Assistant Professor (Physics)	17/01/2014
8.	Dr. N. S. Venkata Narayanan	Assistant Professor (Chemistry)	13/03/2014
9.	Dr. Deepak Samuel	Assistant Professor (Physics)	19/03/2014

Inauguration of the new campus of Central University of Karnataka (CUK) was held on 30th November, 2013.

The newly built campus at Kadaganchi, Aland Road, Gulbarga Dist. of Karnataka was inaugurated on 30th November 2013 by Shri. M. Pallam Raju, Union Minister for Human Resource Development, Govt. of India. Prof. U.R. Ananthmurthy, Hon'ble Chancellor, presided over the programme. Shri. Mallikarjun Kharge, Union Minister for Railways; Shri. Siddaramaiah, Chief Minister of Karnataka, Shri. R.V. Deshpande, Minister for Higher Education, Govt of Karnataka, Shri. Qamar-UI-Islam, Minister for Municipal Administration and Wakf and District in-charge; Shri. Sharanaprakash Patil, Minister for Medical Education, Govt. of Karnataka; Shri. N. Dharam Singh, MP (Loksabha), Bidar; Shri. Basavaraj Patil Sedam, MP (Rajyasabha); Shri. B.R. Patil, MLA (Aland); Shri. Ramesh Shankrappa Margol, President, Zilla Panchyat, Gulbarga; Shri. G Ramakrishna, MLA, Chittapur; Shri. Malikayya V Guttedar, MLA, Afzalpur; Shri. Dr. Umesh Jadhav, MLA, Chincholi; Dr. Ajay Singh, MLA, Jewargi; Shri. Priyank Kharge, MLA, Chittapur; Shri. Dattatrey C Patil Revoor; MLA, Gulbarga (South); Shri. K B Shanappa, MLC; Shri. Allamprabhu Patil, MLC; Shri. Amaranath Patil, MLC; Shri. Prabhavathi Sharnappa Dhage, President, Taluka Panchyat, Aland; Shri. Shrikanth Holkar, President, Grama Panchayat, Kadganchi; Prof. S.S. Murthy, Vice Chancellor, Prof. M.N.S. Rao, Pro-Vice Chancellor, Registrar, All Deans, Heads of the University and other dignitaries graced the occasion.

Admissions to the undergraduate programmes and some post-graduate programmes were made on the basis on the Common Entrance Test conducted by the Central University of Karnataka on 13 July 2013 at 31 centres in various parts of the country. Classes for the Monsoon semester began on 12th August 2013.

The salient academic features of the University include:

- a) All courses offered on choice based credit system and Courses with inter and multi-disciplinary in content based on semester system.
- b) School of Study system
- c) Continuous internal assessment
- d) Relevant and up to date syllabi
- e) Academic freedom to students to choose and design their course of study by picking up components of allied, elective, supportive courses apart from their Core Course of study.
- f) Courses have in built component of developing students in a holistic way (English communication, personality development, computer training, etc)
- g) Students sent to academic tours to reputed national/international institutions in their field of study for interaction/ exposure with University sponsorship and patronage.
- h) Internships, trainings, industry visits are part of course structure.
- i) Classrooms are equipped with latest teaching-learning aids.
- j) E-journal and internet facility (wi-fi) available for all students
- k) Hostel accommodation for both boys and girls.

The under graduate programmes are patterned to provide a holistic undergraduate experience which includes the **Foundation course (FC) and the Social Orientation Course (SoC)**.

The Foundation course is designed to not only develop a student's understanding and grasp in his/her own subject of choice but also to enable them to develop capabilities of lateral thought, integrated understanding, holistic knowledge and a keen cognitive perception of their surroundings. The Social Orientation Course, which is compulsory for students of all undergraduate and post-graduate courses is planned to make the student into a responsible citizen where in he/she will appreciate the country's working, laws, resources, culture and develop a spirit that is constructive, informed and positive.

Apart from the above components, the courses include core subjects, elective/allied subjects and language subjects which allow the student to choose and design his programme content.

Dr. Nazrul Bari (*Asst. Professor of History*) coordinated the SoC and FC respectively.

SC/ST CELL

Dr. Ganesh Pawar, Associate Professor - **Coordinator**

Dr. Shivakumar Deene, Assistant Professor - **Officer on Special Duty**

The SC/ST Cell has been started in the Central University of Karnataka, Kalaburgi to safeguard the interests of the SC/ST students and employees of the University as per the instructions of MHRD, UGC and GOI from time to time.

The Cell performs the following important functions:

- As a Grievances Redressal Cell for the grievances of SC/ST students and employees and renders them necessary help in solving their academic as well as administrative problems.
- It functions to promote higher education among the SC/ST or weaker communities that are suffering from economic, social and educational deprivations.
- It continuously monitors and evaluates the reservation policies and other programs intended for SC/STs by the MHRD, the UGC and the GOI for their effective implementation at Central University of Karnataka, Kalaburgi.
- It suggests the follow-up measures to the administration of the University for achieving the objectives and targets laid down by MHRD, GOI for the empowerment of SC/STs.
- Maintenance of Reservation Roster for all cadres in the University for SC / ST Direct Recruitment and Promotion and monitoring.
- Providing Statistical information pertaining to enrolment, Recruitment of reserved categories.
- Allotment of Accommodation in the Residential Quarters and Students Hostels for Reserved Categories.
- Periodical Submission of reports to UGC / MHRD / Parliamentary Committee etc.
- Conduct of Grievance Committee for employees & Student belonging to SC/ ST Categories.
- Furnishing of Replies to the Parliamentary Questions on Reservation
- Verification of SC / ST claims.
- Organizing Dr. B.R. Ambedkar Memorial Lecture etc.

Details of Services :

Though the Central University of Karnataka, Kalaburgi is one of the newly established central Universities as per the parliamentary Act. Of 2009, the university is trying it's hard to safeguard the interest of Students and Employees belonging to the SC/ST category with the help of SC/ST Cell.

The Central University of Karnataka, Kalaburgi is giving a mess facility and fee concessions to the students belonging to the SC/ST and the amount pertaining to the same is being collected from the Social Welfare Department at a later stage.

The Central University of Karnataka, Kalaburgi has extended a SC/ST book bank for the benefits of students belonging to the SC/ST.

The Central University of Karnataka, Kalaburgi has organised different activities on the eve of 14th April, 2013, so as to give the message of Dr. Babasaheb Ambedkar to the students community particular and staffs in general.

The Central University of Karnataka, Kalaburgi has taken special measures to give a wide publicity of different schemes being launched by the UGC, MHRD and GOI from time to time.

OBC Cell

Dr. K. Padmasri, Associate Professor - **Liaison Officer**

The University appointed Liaison Officer for OBCs. It has also set up a Standing Committee on OBC under the Chairmanship of the Vice-Chancellor for Monitoring /Planning/evaluating measures for effectively implementing the Reservation Policy/Orders of the Govt./UGC and to suggest follow up measures for achieving the objectives and targets, as laid down by the Govt./UGC from time to time. OBC Standing committee proposed to constitute OBC cell to devise suitable programmes/schemes including Remedial Courses to improve academic performance of the students belonging to OBC, to establish coordination with Government and other funding agencies to mobilize financial and other academic resources to provide assistance to the OBC students in the University, to help in developing the cordial inter-personal relationship between teachers and OBC students for academic interaction, to oversee and to help OBC students/staff to overcome problems relating to discrimination, if any.
