## CENTRAL UNIVERSITY OF KARNATAKA

The logo represents the universal motif of the 'Tree of Life' which is found across Asiatic traditions as a mystical concept alluding to the interconnectedness of all life on our planet. It is a central symbol on Indian culture as a metaphor for enlightenment. It is also an enduring symbol of Sufism signifying the endless process of human evolution towards self- realization through knowledge and oneness with the creator.

**The CUK family is truly a mini Bharat.** The University, primarily nourishing Post Graduate and Research programmes, is offering courses in Kannada, Hindi, English, Economics, Commerce, Business Studies, Psychology, Social Work, Geography, Geology, Physics, Mathematics, Computer Science, Chemistry and Engineering. The University also offers Dual degree courses in Engineering and Applied Sciences with are unique and among the first of its kind in India. The University has introduced research programmes in Classical Language Kannada and Linguistics. Establishment of Centre for Endangered Languages will cater to the study and research of Endangered Languages in India. Departments in the pipeline are Folkloristics and Tribal Studies, Music and Fine Arts and Department of Education.

It is a matter of immense satisfaction that after the University moved into its own campus on 30th November 2013, it has become vibrant with whole lot of activities in the Academic, Administrative, Research, Community Development, Regional Development, Rural Development frontiers etc. The University infrastructure expansion and stabilization is high on the agenda. A state of the art library with modern facilities and user friendly atmosphere and nice ambience has started operating from the Central library premises.

CUK community is being established in the campus with residential accommodation availability for its employees and students. Campus post office has started operating. 24/7 ambulance service has been made available for the University community. The University has initiated many clean and green activities for making this 654 acre campus, a clean, green and sustainable campus. On these lines, large scale plantations have been initiated along with a research and demonstration centre on Biofuels. Water harvesting structures across the School buildings have been constructed. On the roof top of the Administrative building, solar panels have been laid to tap the solar energy and augment the electricity supplies with an on grid system.

As per the mission and vision of Govt. of India in general and Central University of Karnataka in particular, we are committed to making this University truly world class institution of higher learning, research and innovation.

## ABOUT THE UNIVERSITY

The Central University of Karnataka (CUK) has been established by an Act of the Parliament (No. 3 of 2009) at Kalaburagi, Karnataka. It is one of the sixteen new Central Universities established by the Government of India during the UGC XI Plan period to address the concerns of 'equity and access' to education. Central University of Karnataka in Kalaburagi has increased the access to quality higher education to people in less educationally developed districts which have low graduate enrolment ratio.

The CUK, with its territorial jurisdiction all over Karnataka has initiated its activities from the academic year beginning August 2009 in keeping with the philosophy of achieving and maintaining the highest levels of academic excellence, sensitivity to equity, and access to enrolment. The six year old University is emerging as a premier national educational and research institution in the country.

The University has six hundred and fifty four acres campus, situated near Kadaganchi village in the district of Kalaburagi, Karnataka State (thirty kilometres from Kalaburagi city towards Aland). CUK is one of the first new Central Universities to move to its permanent campus. The main objective of the University is integrating the components of teaching, research, innovation, training and skill development with an aspiration to excel in integrated UG-PG, post graduate and doctoral programs. The University offers various programmes in the following five dominant areas: Arts, Humanities, Management, Sciences, and Engineering. Currently the University is running sixteen Departments spread in eight Schools and one Centre, and are offering nine integrated UG-PG programmes, fifteen post graduate programs and sixteen Doctoral programmes.

## SCHOOL OF UNDERGRADUATE STUDIES

**Dean : Prof. Sunitha Anil Manjanbail**

### **Introduction of the School:**

The School of Undergraduate Studies coordinates with other Schools and Departments to provide a holistic undergraduate experience. It draws upon the academic resources of other schools to offer integrated and flexible learning programmes leading to the award of BA (Hons) and MA degrees with exit option after the three years with award of BA (Hons) degree in Economics, Geography, Psychology and English subjects. Apart from this, the School also offers three year stand-alone BBA programme.

The undergraduate programmes also include Foundation Courses (FC) and the Social Orientation Course (SoC).

The Foundation course is designed to not only develop a student's understanding of his/her own subject but also to enable them to develop capabilities of lateral thinking, integrated understanding, and a keen cognitive perception of their surroundings. The Social Orientation Course, which is compulsory for students of all undergraduate and post-graduate courses is planned to make the student into a responsible citizen wherein he/she will appreciate the country's working laws, resources, culture and develop a spirit that is constructive, informed and positive.

Apart from the above components, the programmes and courses on core subjects, elective / allied subjects and language subjects with a good amount of flexibility for the students to choose and design his/her programme content.

2. Completed 21 Days Refresher Course in Research Methodology at UGC – ASC Maulana Azad National Urdu University, Hyderabad, with “A” grade from 12-11-2014 to 02-12-2014

**Dr. Sujatha Susanna Kumari. D**

1. Presented a research paper entitled “Financial Inclusion through Regional Rural Banks -A Study of Hyderabad Karnataka Region” in the National conference organized by Karnataka State Open University held on 6<sup>th</sup> and 7<sup>th</sup> Dec. 2014.
2. Participated in the 90<sup>th</sup> Orientation Course from January 8 to February 04, 2015 conducted by UGC-Academic Staff College, University of Hyderabad, Hyderabad

**Projects:**

**Dr. Panduranga V**

Working on UGC sponsored Major Research Project titled a study of Performance, Challenges and Prospects for MSMEs in Gulbarga District since April 2013.

**Students Activities:**

- Students organized “Akyutha 2015”, an inter-collegiate Management Fest on 17<sup>th</sup> and 18<sup>th</sup> March 2015. This event had six competitions to compete and 1500 students from Kalaburagi, Bidar, Raichur, Yadgir, Bellary and Koppal districts participated in it. The entire event was sponsored by twenty two sponsors of which the lead sponsor was Central Bank of India.
- “Colloseum” an inter department management fest was conducted on 21<sup>st</sup> and 22<sup>nd</sup> November 2014.

## SCHOOL OF EARTH SCIENCES

**Dean : Prof. Syed Ashfaq Ahmed**

### **Introduction of the School:**

The School of Earth Sciences work to gain a better understanding of our planet, the resources that support society and the challenge of sustainability. We use a variety of methods and tools to address our research questions, including field work, laboratory and experimental studies, and computer modeling. The School of Earth Sciences is one of the first few schools established by Central University of Karnataka and is home to two departments, offering post graduate and undergraduate degrees in Geography and Geology. The School of Earth Sciences is committed to educating a new generation of scholars who will reflect the diversity of intellectual perspectives, life experiences, and cultural backgrounds represented in society today.

As part of the development of School's Teaching and Research Infrastructure we have undertaken a major refurbishment of our field and laboratory equipment including the purchase of several major new items of analytical equipment. This builds on a recent over-haul of the research facility of the school to produce state-of-the-art suite of facilities which are amongst the best available in the country.

The school has a flourishing and expanding academic community committed to high standards of teaching and research. The philosophies and methodologies we draw upon, embrace the natural and social sciences. Research is represented by our main research thematic groups working on urban development, regional planning, agriculture, water resources management, ore geology, geochemistry etc. Our work brings us into contact and collaboration with many other disciplines to address the challenges of a changing world.

The School has some MoUs and close collaborations with **Salzburg University**, Austria, National Institute of Rural Development, Hyderabad, Central Ground Water Board, IIRS(ISRO), Dehradun and other reputed institutions for teaching, research and faculty and student exchange programmes. Prof. Syed Ashfaq Ahmed is the Dean of the School.

### **The School consists of the following departments:**

1. Department of Geography
2. Department of Geology

## DEPARTMENT OF GEOGRAPHY

**Head : Dr. Sulochana Shekhar**

### **Introduction of the Department:**

The Department of Geography since the inception of the Central University of Karnataka has pledged to follow the mission of the University, i.e., making difference in the existing educational system and approaches. The department acknowledges the discipline of Geography as a complete science, the dissemination of which can bring a conspicuous difference in the social, economic, physical, environmental and political (including planning) scenario of the country and region. The Department of Geography endeavours to take the teaching of Geography with multi-disciplinary perspective along with substantial disciplinary depth.

The Department of Geography attempts to bring in an innovative approach in the way the subject is taught and studied. The courses offered aim at integrating both the basic theory and the applied aspects. The department is determined and prepared to make distinct mark in the field of the subject, with a group of young and enthusiastic faculty members along with updated teaching and educational tools, particularly harnessing the utility of geographic information system.

The candidates are expected to master the Geoinformatics tools and techniques with ability to rationalize the importance of physical and social (human) aspects of the planet earth.

### **Programmes offered:**

The Department offers five years Integrated M.Sc. Geography programme and two year M.Sc. programme in Applied Geography and Geoinformatics and Ph. D. programme in Geography.

### **Faculty:**

#### **Professor:**

Prof. Ali Raza Moosvi

#### **Associate Professor:**

Dr. Sulochana Shekhar

#### **Assistant Professor:**

Dr. Priya Narayanan

Dr. Archana Kujur

Dr. Chandan Kumar (Contractual)

Mr. Sunil Kumar Singh (Contractual)

Dr. Ullash. T (Contractual)

Dr. Mubeen Belgaum (Contractual)

### **Departmental Activities:**

- Cartography Day was organised by Dr. Priya Narayanan on 22<sup>nd</sup> September 2014
- GIS Day was organized by Dr. Sulochana Shekhar on 19<sup>th</sup> November 2014
- KSTA sponsored National Conference on "Science and Technology for Disaster Management" was organized by Dr. Sulochana Shekhar and Dr. Archana Kujur

- KSTA sponsored Real-time GIS workshop was organized by Dr. Priya Narayanan from on 16<sup>th</sup> and 17<sup>th</sup> of February 2015.
- National conference on “Emerging trends in Earth Sciences” was organized on 30 and 31 March 2015 by Dr. Archana Kujur (Conference Secretary)
- Invited lecture on the topic “Varieties of Environmentalisms: Politics of Environmental Movements” by Professor. Sheela Prasad Central University of Hyderabad on 19<sup>th</sup> February 2015.
- Online course on “Basics of remote sensing, GIS and GPS” from 4<sup>th</sup> Aug- 14<sup>th</sup> Nov 2014 conducted by EDUSAT Programme, IIRS, Dehradun. Co-ordinated by Dr. Sulochana Shekhar.
- Online course on “Applications of Remote Sensing and GIS for Natural Resources” from 07<sup>th</sup> Jan - 27<sup>th</sup> March 2015 conducted by EDUSAT Programme, IIRS, Dehradun. Co-ordinated by Dr. Archana Kujur.
- Field Work Primary survey was carried out by IM.Sc Geography final semester students on Health-sanitation habits of Kadaganchi village people for their dissertation work and study tour was organised for them and Dr. Priya Narayanan has taken them to Thla cauvery to Sriranga patinam for 3 days.

## DEPARTMENT OF GEOLOGY

**Head : Dr. M. A. Mohammed Aslam**

### **Introduction of the Department:**

The Department of Geology at Central University of Karnataka was established in the year 2012 with an aim to manage Earth and its resources for the future. The department strives to provide an encouraging environment to the students to learn and achieve success in a diverse and challenging global economy. The Department is offering UG, PG and PhD courses in Applied Geology and Geoinformatics. The department has organized series of invited lectures and actively involved in the conferences/workshops organized by the School of Earth Sciences.

### **Faculty:**

#### **Professor:**

Dr. Syed Ashfaq Ahmed

#### **Associate Professor:**

Dr. Mohammed Aslam, M.A

#### **Assistant Professor:**

Dr. M.Lingadevaru

Dr. Mohammed Aleem Pasha

Dr. K.Channabasappa

Dr. RV Gireesh (Contractual)

Mrs. Nandini P (Contractual)

Dr. Babu N (Contractual)

**Programmes offered:**

The Department offers five year Integrated M.Sc. Geology programme and two year M.Sc. programme in Applied Geology and Geoinformatics and Ph. D. in Geology.

**Departmental Activities:****National Conference:**

A National Conference organised under the theme “Science and Technology in the Disaster Management” by School of Earth Sciences, Central University of Karnataka on 22<sup>nd</sup> and 23<sup>rd</sup> January 2015 in collaboration with Karnataka Science and Technology Academy (KSTA). A National Conference organised under the theme “Emerging Trends in Earth Sciences” by School of Earth Sciences, Central University of Karnataka on 30<sup>th</sup> and 31<sup>st</sup> March 2015.

**Field Works:** A 10 day long field work was carried by two faculty members and one research scholar to First year MSc Geology and Second year B.Sc. Geology students. Study/Field work was conducted Tamil Nadu in the areas of Chennai, Pondicherry, Tiruchinapalli Formations etc. It was productive as students are trained with the Coastal Geomorphology, Mapping and Stratigraphic techniques.

**Ozone Day:** Marking the effects of depletion of Ozone layer and its importance in the atmosphere, Ozone day was celebrated in the Department of Geology demonstrating about the harmful effects related to ozone layer depletion followed by an Essay Writing Completion. It was held on 16<sup>th</sup> September 2014. First, Second and Third prizes were awarded for the same. Huge part of the CUK student community took part in the competition.

**Water Quality Analysis:** The drinking water as well as the non drinking water in the campus/hostels are regularly tested and analyzed in the Department of Geology. Waters of girl’s and boy’s hostel, Kadaganchi hostel, Small RO water, Big RO water, Tap waters etc are majorly examined.

**Internships:** As a part of curriculum students of MSc Geology and BSc geology undergo summer research training or Internships at prestigious institutes like Central Ground Water Board (CGWB), Bangalore, Indian Institute of Remote Sensing (IIRS), Dehradun, Physical Research Laboratory (PRL), Ahmedabad, National Institute of Oceanography (NIO), Center for Water Resources Development and Management (CWRDM), Kozhikode, etc. through these internship programmes students are regularly groomed up with the practical knowledge and gain exposure to such premier institutes.

**Projects/Dissertations** Students of final year MSc students in their fourth semester shall go on to do a project/dissertation work for about 4-5 months. Geological Survey of India (GSI), National Geophysical Research Institute (NGRI), INCOIS, Atomic Mineral Division (AMD), IIRS, CGWB, NIO, PRL etc., are the various prestigious organizations/institutes that the students of the department undergo their project works.

**Swachh Bharat:** As a major mission started by honorable Prime Minister Shri Narendra Modi – Swachh Bharat campaign was actively done in the School of Earth Sciences premises. The campaign helped in making the department clean and green later on as well.

### **Bharath Kumar L**

1. Attended workshop on “Science Special Lecture Series in Earth Science and Geoinformatics” – held by Department of Marine Geology, Mangalore University, Karnataka.
2. Attended workshop on “User interaction meet” conducted by Bhuvan (NRSC, Hyderabad)
3. Attended workshop for 21 days DST Winter workshop on “Application of Geoinformatics in Earth Science” conducted by Hyderabad Central University.
4. Attended workshop for 21 days NNRMS sponsored workshop on “Fundamentals of Geoinformatics, GPS and Cartography techniques” organized by Geography Department, Bangalore University.

### **Praveena Kumara A**

1. Attended a two day All India National Conference on the topic “WasteManagement and Pollution Control, and presented a paper titled “Solid Waste Management Problems in Jagalur”, at KLE Dr.M.S.Sheshgiri College of Engineering and Technology, Belgaum.Karnataka,(K.A) on 7th and 8th March 2014.
2. Attended three day 7th International Congress of Environmental Research (ICER-2014) on Dec 28-29 2014 and presented a paper on the topic “Ground Water Quality Assement around Solid Waste Landfill Area - A Case Study, Udnoor, Kalaburgi, Karnataka”, at R.V.Engineering College, Bangalore, Karnataka.
3. Attended a two day International Civil Engineering Symposium (ICES-2015) held on 12-13 March, 2015 and presented a poster on the topic “Ground Water QualityAssement of AppaLake”at VIT University, Vellore, Tamil Nadu.

**Dr. Mohammed Aleem Pasha**

1. Attended Orientation course from 16/8/2014 to 12/9/2014 at ASC, University of Mysore, Mysore.

**Field work:**

Dr M. Lingadevaru carried out field work in Babudanhills and Chikkanyakanahalli, HalguruandSatnur areas of Dharwarcraton, during 19<sup>th</sup> -23<sup>rd</sup> February 2015 with Prof. Michael M Raith, Stainmanns Institute, University of Bonn, Germany and Prof. T.C. **Students Activities:****Awards/Achievements**

1. **Shruthi S** was awarded third prize for a poster making competition held in a KSTA national conference, 2015.
2. UGC has selected **Syed Hamim Jeelani** for the Maulana Azad National Fellowship for Minority Students, for the year 2014-15. The tenure of the fellowship is for five years.
3. **Syed HamimJeelani**, PhD Geology has qualified CSIR NET LS June 2014.
4. **Syed HamimJeelani** has won Young Scientist Award for the paper presented on the topic "Petrology and Structure of the Granitoids within the Nellore Schist Belt, Rapur Area, Nellore District, Andhra Pradesh" in a National conference-Emerging Trends in Earth Sciences held by School of Earth Sciences, CUK.

## SCHOOL OF PHYSICAL SCIENCES

**Dean : Prof. G. Umesh / Prof. B. S. Chandrasekhar**

### **Introduction of the School:**

School of Physical Sciences was started in 2012 with the Departments of Physics and Mathematics as its constituents. The primary goal of the School is to provide high quality education in various domains of Physics and Mathematics. The academic programmes of the School of Physical Sciences are aimed at creating an environment that promotes research and innovation. The School is creating high quality infrastructure in terms of well qualified faculty, well equipped laboratories, computational facilities and high quality learning materials in various domains of Physics and Mathematics. This infrastructure would be utilized to create motivated young scientists and mathematicians capable of contributing to a “Knowledge Society”. Towards this end the School of Physical Sciences offers programs leading to M.Sc. and PhD degrees. Prof.G.Umesh was the Dean of the School until 31<sup>st</sup> December 2014. Prof. B. S. Chandrasekhar has taken over the Dean’s office since then.

### **The School consists of the following departments:**

1. Department of Physics
2. Department of Mathematics

## DEPARTMENT OF PHYSICS

**Head : Prof. G. Umesh / Prof. B. S. Chandrasekhar**

### **Introduction of the Department:**

The Department of Physics offers a 2 year (4 semesters) Master’s degree program to prepare students for a career in teaching and research. Students will not be allotted any branch of specialization in Physics at the time of admission. The first two semesters will be devoted to the study of foundation courses in Physics. During semester II and III the students will have the freedom to study subjects of his/her choice under the guidance of a faculty advisor. The fourth semester is set apart exclusively for a dissertation project. The entire curriculum is designed to prepare a student to enter a research career in multi-disciplinary areas of science and technology in research organizations and industry. The program emphasizes on developing scientific and innovative spirit, instilling professional ethics and spirit of service to the society at large.

The most attractive feature of the M.Sc. program is the freedom given to the students to decide about domain specialization during the 2nd year of their studies. They would be guided to select from a basket of elective courses focused on a major domain of Physics. They would also have the opportunity to study cross-disciplinary subjects depending on their interest. Thus, the students would be well prepared to contribute to research in multi-disciplinary fields of contemporary interests. Another prominent feature of the M.Sc. program is the Dissertation project to be carried out in the 4th semester. The students will be allotted a project at the end of the 2nd semester and they would be required to explore the project topic by self-study during the 3rd semester. At the end of this study they would be required to submit a project proposal to carry out a project in the final semester. This study would be carried out under the supervision of a faculty advisor. The project itself can also be carried out in a prominent

research organization in India. Thus the project would provide the students with research experience to enable them to continue further into the PhD Program.

**Programmes offered:**

The Department of Physics offers two year M.Sc. and Ph. D programmes.

**Faculty:****Assistant Professor:**

Dr. Bharat Kumar

Dr. Deepak Samuel

Dr. Rajeev S. Joshi

Dr. Ramesh BabuKunchala (Contractual)

Mr. Siva N. Chari (Contractual)

**Departmental Activities:**

Science Academies' 64<sup>th</sup> Refresher Course in Experimental Physics (January 2015); Department of Physics conducted Science Academies' 64<sup>th</sup> Refresher Course in Experimental Physics (RCEP) from 6<sup>th</sup> January 2015 to 22<sup>nd</sup> January 2015. The Refresher Course was funded by Indian Academy of Sciences, Bangalore, Indian National Science Academy, New Delhi, and National Academy of Sciences, India at Allahabad, under the Science Education Programme Scheme. Twenty four candidates participated in the Refresher Course. The Course Director was Prof. R. Srinivasan and course coordinator was Dr. Bharat Kumar. Prof. M. Nyayate (University of Mumbai), Dr. Deepak Samuel, and Dr. Sudeshna, Prof. S. N. Kaul (UoH), Prof. B. S. Krishnamurthy (GUG), Prof. G. Umesh (NITK), and Prof. M. V. N. Murthy (IMSc) were the resource persons. The participants included Science teachers from different First Grade Science Colleges and Engineering Colleges, students M.Sc. (Physics) from various Universities in the Country.

**Swatch Bharat Abhiyan @ Department of Physics**

Department of Physics participated in the *Swatch Bharat Abhiyan*. All the members of Department of Physics joined hands with other Science and Engineering Departments to clean the surrounding areas on 15<sup>th</sup> October 2014.

**Guest Lectures:**

Department of Physics invited Prof. M. V. Sathyanarayana (IITMadras), Prof. M.V.N. Murthy (Institute of Mathematical Sciences), Prof. B. S. Krishnamurthy, Prof. G. Umesh (NITK, Surathkal), Prof. Rao (Madras University), Dr. Bhushan (Rani Chennamma University, Belgaum), and Prof. S. N. Kaul (Univ. of Hyderabad) at various occasions.

## DEPARTMENT OF MATHEMATICS

**Head : Prof. G. Umesh / Prof. B. S. Chandrashekhara**

### **Introduction of the Department:**

The Department of Mathematics was established in 2012 in the School of Physical Sciences. Mathematics is important for all the departments of CUK. The Department of Mathematics shares the vision of our University in striving for excellence in teaching and research. Currently the Department not only teaches various topics in Mathematics to undergraduate and postgraduate students of different engineering and science departments, but also runs its own M.Sc. course in Mathematics. The Department started its M.Sc. Mathematics course in the year 2012 with the intake of 32 students. The areas of research in the Department include Fluid Mechanics, Computational Fluid Dynamics and Numerical Methods. The laboratories in the Department and the computer centre are equipped with modern facilities to provide good work environment. The students are trained in several computer programming languages like C, C++, and FORTRAN. They also gain exposure in handling problems through mathematical software like MATLAB, Mathematica and Maple etc.

The academic programs of the Department are designed to attract motivated and talented students to the master's and doctoral programs of the Department. The faculty strives to provide a stimulating learning environment for the undergraduate and post graduate students of the Department. To meet these objectives the Department is setting up excellent computer facilities, library facilities along with providing good administrative support.

### **Programmes offered:**

The Department of Mathematics offers two years M.Sc and Ph.D. programme.

## SCHOOL OF ENGINEERING

**Dean : Prof. G. Umesh / Prof. B. S. Chandrashekhar**

### **Introduction of the School:**

The School of Engineering at Central University of Karnataka was started in 2013. The motto of the School is to create the new generation Engineers, capable of serving the society by providing high quality engineering solutions to address the problems of 21<sup>st</sup> century. The academic programmes of the School of Engineering are focused on knowledge assimilation, dissemination and generation. The School is creating high quality infrastructure in terms of well qualified faculty, well equipped Laboratories, Computational facilities and high quality Learning Materials in various domains of engineering. In addition to such infrastructure, CUK aims to create an ambience for learning and innovation for the students as well as the faculty. This infrastructure would be utilized to create exceptional human resources for the industries and public organizations, thereby help in building a “Knowledge Society”.

### **The School consists of the following department:**

## DEPARTMENT OF ENGINEERING

**Head : Prof. G. Umesh / Prof. B. S. Chandrashekhar**

### **Introduction of the School:**

Department of Engineering was started in the academic year 2013-14. The motto of the School is to create the next generation Engineers, capable of serving the society by providing high quality engineering solutions to address the problems of 21<sup>st</sup> century. The academic programmes of the School of Engineering are focused on knowledge assimilation, *dissemination and generation*. The School aims to create an ambience for learning and innovation for the students as well as the faculty. This theme would be utilized to create Exceptional human resources for the industries and public organizations, thereby help in building a “Knowledge Society”. The School has 146 students and 8 faculty members.

### **Programmes offered:**

The Department of Engineering offers five years Dual Degree and Ph. D programmes. The School offers a unique 5-year Dual Degree program in Engineering leading to the award of Dual Degree - B.Tech. and M.Tech. – Upon completion of five years of studies. Students will not be allotted any branch of specialization in engineering at the time of admission. The first two years will be devoted to the study of common subjects in basic sciences and various domains of engineering. During V semester to semester VIII the students will have the freedom to study subjects of their choice under the guidance of a faculty advisor. In the last two semesters (IX and X), the students are expected to specialize in a particular domain of engineering and also work on a dissertation project. This program aims at preparing a student to function as an innovative engineer capable of applying his knowledge to address diverse multi-faceted problems in the industry and the society in general. Present day industries require engineer-scientists with a wide knowledge in both science and engineering. The Dual Degree Engineering program is designed to serve such a need. Further, greater emphasis is put on developing scientific and

innovative spirit, instilling professional ethics and spirit of service to the society at large in the students.

The most attractive feature of this program is the freedom given to the students to decide about domain specialization during the later phase (last 3 semesters) of their studies. They would also have the opportunity to study cross-disciplinary subjects depending on their interest. Thus, the students would be well prepared to contribute to current industrial advances which require solutions of multi-disciplinary in nature.

### **Seminars / Conferences / Workshops / Symposia / Talks:**

#### **Dr. Layak Ali**

1. Attended workshop on Matlab & Simulation for Engineering Education, organized by Math Works India, on 18th February 2014.

#### **Ms. Priti**

1. Participation in “Faculty Development Programme”, Organized by VGST, VTU, held at Basavakalyan Engineering College, Basavakalyan, from 9<sup>th</sup> to 12<sup>th</sup> May 2014.
2. Participated in Refresher’s Course in “Experimental Physics” organized by Indian academy of science and Central University of Karnataka from 06th January 2015 to 22nd January 2015.
3. Attended workshop on Digital Manufacturing And Cloud Computing, Organised by Karnataka German Technical Training Institute, Gulbarga, on 22<sup>nd</sup> April 2014.

### **Project:**

#### **Dr. V. Sandeep**

Selected for UGC - Start up Research Grant for the project “Design and Development of Efficient & Low Cost Electric Generator for Small Scale Renewable Energy Applications”

#### **Dr. Layak Ali**

Selected for UGC - Start up Research Grant for the project “Efficient Method for Reactive Power Compensation by Improving Power Factor using Swarm Intelligence”

#### **Dr. V. Sandeep**

### **Award / Achievements:**

Shortlisted in Top 10 Innovative Projects Award 2014 by Indian National Academy of Engineering (INAE), Govt of India.

Invited for Festival of Innovation at Rashtrapati Bhavan on 07<sup>th</sup> March 2015 by National Innovation Foundation, Govt of India.

### **Students Achievements:**

1. Vikrant Hanche, Apoorva Joshi, Suchitra S Shastri have Participated in a course on “Remote Sensing, Geographical Information System & Global Navigation Satellite System”, organised by Indian Institute of Remote Sensing and sponsored by National Natural Resources Management System (NNRMS) held from 04<sup>th</sup> to 14<sup>th</sup> November 2014.
2. Sharan shastri has participated and won 4<sup>th</sup> prize in the event of “BIO Quiz competition”, organized by Vision group of Biotechnology in Bangalore 2015, held from 9<sup>th</sup> to 11 Feb 2015.
3. Anushree Math has participated in Interuniversity Badminton competition in “South Zone (Women)” Tournament held at Anna University, Chennai during 2014.
4. Aluri Sriharsha has participated and completed a course in “Programming in C & OOP with C++” in “DATAPRO”, at Kurmannapalem Visakhapatnam from 05/07/14 to 30/07/14.
5. Krishnakanth prabhu and Shivanand have participated in “Full Throttle Workshop”, Organised by Horizon MBS Group of Initiative held from 14<sup>th</sup> and 15<sup>th</sup> March 2015.
6. Sharad N Rasmi has participated in Interuniversity “South Zone Cricket (Men)” Tournament held at Anna University, Chennai during March 2015. –

7. Vishwaradhya Meti, Sharad N Rasmi, M V Sivani, Mayuri V Kulkarni and Akarsh D had participated and presented a paper on waste management in 7<sup>th</sup> International Congress of Environment Research (ICER -14), organized by R V College of Engineering, Bangalore with Journal of Environment Research and Development, Bhopal from 26<sup>th</sup> to 28<sup>th</sup> Dec 2014.

## SCHOOL OF COMPUTER SCIENCES

**Dean : Prof. G. Umesh / Prof. B. S. Chandrasekhar**

**Coordinator : Dr. Layak Ali**

### **Introduction of the School:**

School of Computer Sciences was started in 2012 with the Departments of Computer Science having course MCA (Master of Computer Application) as its constituents. The primary goal of the School is to provide high quality education in various domains of Computer and Cyber world at the post-graduate levels. The academic programmes of the School of Computer Sciences are aimed at creating an environment that promotes research and innovation. The School is creating high quality infrastructure in terms of well qualified faculty, well equipped laboratories, computational facilities and high quality learning materials in various domains of Computer Science. This infrastructure would be utilized to create motivated young scientists and computer professional capable of contributing to a "Knowledge Society".

### **The School consists of the following department:**

Department of Computer Applications (MCA)

## DEPARTMENT OF COMPUTER SCIENCE

**Head : Prof. G. Umesh / Prof. B. S. Chandrasekhar**

### **Programme offered:**

The Department offers three years master programme in Computer Application (MCA).

### **Faculty:**

#### **Coordinator**

Dr. Layak Ali

#### **Assistant Professor:**

Dr. Manjunath Hiremath (Contractual)

Dr. Gururaj Mukarambi (Contractual)

Ms. Renuka Kattimani (Contractual)

Ms. Poornima (Contractual)

Mr. Yogesh Somawamshi (Contractual)

Mr. Devidas Lab. Assistant (Contractual)

**Student activities:**

1. Students of MCA conducted seminar events on latest trends and technologies in Computer Science.
2. **Mr. Ajith Kumar, MCA**, second year student was selected for visiting student summer research program conducted by Institute of Plasma Research, Gandhinagar.
  - a. Students of MCA conducted sports activities at department level.

## SCHOOL OF CHEMICAL SCIENCES

**Dean : Prof. G. Umesh / Prof. B. S. Chandrashekhar**

### **Introduction of the School:**

The School of Chemical Sciences was established in the year 2013 and our goal is to build this institution as a Centre of Excellence to impart Quality Chemical Education and also to promote Innovative Research in diverse areas of Chemical Sciences to benefit the Society.

### **The School consists of the following department:**

1. Department of Chemistry

## DEPARTMENT OF CHEMISTRY

**Head : Prof. G. Umesh / Prof. B. S. Chandrashekhar**

### **Introduction of the Department:**

The goal of the Department is become one of the well recognized Chemistry Department for higher learning in India and abroad in terms of producing Skilled & Employable Chemists and Teachers who are go-getters meeting the challenges in Chemistry.

### **Programme offered:**

The Department offers two year M.Sc. and Ph.D. programmes.

### **Faculty:**

#### **Professor:**

Prof. M. N. S. Rao / Prof. B. S. Chandrasekhar

#### **Assistant Professor:**

Dr. Harish Holla

Dr. Konkallu Hanumae Gowd

Dr. N.S. Venkata Narayanan

Dr. Chinthalapalli Srinivas (Contractual)

### **Departmental Activities:**

Organized Invited lecture by **Dr. Arvind Chinchure**, Chair Professor of Innovation and Entrepreneurships, Symbiosis International University, Pune on National Science Day Celebration.

### **Guest Lecture session by**

- a. Prof. K. K. Balasubramanian, FNA:  
(Former Director, R & D, Shasun Industries, Chennai & Former Prof. IIT, Madras) on Organic Chemistry.
- b. Dr. M.R.R. Prasad, Retd. Scientist from ISRO, Trivandrum on Chemistry in Space.

## CENTRE FOR CLASSICAL KANNADA

**Prof. B. Mallikarjun : Professor & Director**

### Introduction of the centre

The Govt. of India declared Kannada as a classical language (vide Ministry of culture Notification No.2-16/2004-Academis dated October 31, 2008). As a consequence, the MHRD asked the University Grants Commission to take follow up action. The UGC set up a Committee to look into the modalities for establishment of the Centres of Classical Languages. The committee suggested that instead of professional chairs Centres of Classical languages be established in the select Central Universities. In pursuance of this decision at the Central University of Karnataka, the Centre for Classical Language-Kannada is setup. The work of the Centre is visualised as an ongoing process. Initially the Centre is established for five years and further continuity depends upon the success of the model process. The Centre shall not act in isolation with the other Indian Classical Languages. The Centre shall draw human resources from within and even outside the education system by interacting with the Pandits / Scholars who are well versed with the classical languages but are not necessarily a part of mainstream education system.

On March 15, 2011 the University Grants Commission approved setting up of the Centre for Classical Kannada at the Central University of Karnataka, Gulbarga. On April 11, 2011 the MHRD communicated the assent of the Visitor for Statute of Establishment of the Centre.

### Main Thrust Areas:

Linguistics, Epigraphy, Manuscriptology, History of Kannada and Karnataka, Religion Studies, Shastra Granthas, Classical Literature and Comparative Literature and Translation of Kannada Classical Texts.

### Objectives and Academic Functions:

- a. Conduct short term courses in the concerned disciplines and ensure training of future generation of scholars in the classical language for sustenance and continuity
- b. Develop corpus of the texts of classical period including texts of inscriptions
- c. Facilitate teaching and learning Kannada using modern equipment and evolve methods of application of information and communication technology.
- d. Hold seminars / workshops / conferences etc.
- e. Focus on unpublished manuscripts / inscriptions and epigraphic literature available in Oriental libraries and other repositories.
- f. Publish rare written works.
- g. Have a regular course leading to Ph.D.
- h. Coordinate and provide a think tank in the areas of studies.
- i. Provide a veritable archive for the studies in the Classical Kannada
- j. Take up any other programmes / projects as suggested by the advisory committee from time to time.

### Workshop:

The time table followed in the workshop is appended here. The Course was conducted by Prof.B.Mallikarjun and Dr.Basavaraja Kodagunti.

## CENTRAL LIBRARY

(Proposed Library Building)

<b>Dr. P. S. Kattimani</b>	-	Deputy Librarian
<b>Sri. Raghavendra B</b>	-	Assistant Librarian
<b>Sri. Rajkumar Kalyani</b>	-	Junior Professional Asst.
<b>Sri. Ninganna M. G.</b>	-	Library Attender
<b>Sri. Sharanappa</b>	-	Library Attender

### Central Library

The Central Library provides access to information not just to widen the horizons of the users knowledge but also to support their learning activities. The resources in the library includes books, e-books, journals, e-journal, databases, reports, dissertation, thesis, CD/DVDs, magazine and newspapers etc. Librarians are not just the gatekeepers of library but also the facilitators in a larger process aimed at improving the quality of academic life of the individual. We are driven by the motto to strive hard with commitment and dedication, which requires team spirit and tenacity to serve the strategic information requirements for the academic community.

### Mission and vision

To promote knowledge generation and application through effective dissemination by keeping all Library users updated about the latest developments in their areas of interest.

### Objectives

To support the learning process of all users through provision of knowledge / Information through conventional / non conventional media.

To meet knowledge / Information needs of the students, faculty and teaching community to support their developmental / programming activities.

To respond effectively where ever possible, to the knowledge/ information needs of the research and development.

To act as a repository for all the knowledge created within the University for future development

### Important Points:

#### Repatriation of Faculty:

Prof. G. Umesh, Professor of Physics, on deputation from NITK, Surathkal for the period from 27.09.2013 to 31.12.2014 – Relieved from the duties of Central University of Karnataka on 31.12.2014 (A/N).

#### Faculty on Deputation /Lien:

1. Prof. Ali Raza Moosvi, Professor of Geography, relieved to proceed on deputation at The English and Foreign Languages University (EFLU), Hyderabad w.e.f. 13.05.2014 on the standard terms and conditions of deputation of the Government of India, for a period of one year initially from the date of his joining duty there.
2. Mr. Veeranna Kammar, Assistant Registrar (PR), relieved on retention on lien for two years to join Indian Institute of Science, Bengaluru

### Meeting of the Authority:

The list of Executive Council meeting held during this period is as under:

1. Meeting of 20<sup>th</sup> Executive Council was held on 26<sup>th</sup> April, 2014 at Bangalore.
2. Meeting of 21<sup>st</sup> Executive Council was held on 29<sup>th</sup> June, 2014 at Bangalore.
3. Meeting of 22<sup>nd</sup> Executive Council was held on 05<sup>th</sup> December, 2014 at Bangalore.
4. Meeting of 23<sup>rd</sup> Executive Council was held on 21<sup>st</sup> January, 2015 at Bangalore.

### Celebrations of Important Events:

The University celebrated 68<sup>th</sup> Independence Day on 15<sup>th</sup> August, 2014 – Hon'ble Vice Chancellor (i/c), Prof. M. N. S Rao hoisted the National Flag.

The Hyderabad Karnataka Vimochana Diwas was celebrated on 17<sup>th</sup> September, 2014.

Hindi Diwas was celebrated on 30<sup>th</sup> September, 2014.

Mahatma Gandhi Jayanti was celebrated on 02<sup>nd</sup> October, 2014.

Vigilance awareness week was observed from 27<sup>th</sup> October, 2014 to 01<sup>st</sup> November, 2014 and all the employees of Central University of Karnataka took Oath for the same which was administered by Prof. M.N.S. Rao – Hon'ble Vice Chancellor (i/c) of the University.

Birth Anniversary of Sardar Vallabhai Patel was celebrated on 31<sup>st</sup> October, 2014 and the message towards unity, safety and security was spread through this celebration. The welcome and introductory speech was given by Prof. M. V. Alagawadi – Dean, School of Business Studies, Speaker for the programme was Prof. Sunitha Anil Manjanbail-Dean, School of Under Graduate Studies and the Chairman for the same was Hon'ble Vice-Chancellor (i/c)– Prof. M. N. S. Rao.

Karnataka Formation Day (Karnataka Rajyotsava) was celebrated on 01<sup>st</sup> November, 2014.

Dr. B. R. Ambedkar (Mahaparinirvana Diwas) was observed on 06<sup>th</sup> December, 2014.

Prof. M. N. S. Rao, Hon,ble Vice-Chancellor (i/c) hoisted the National Flag on 26<sup>th</sup> January, 2015 on account of 66<sup>th</sup> Republic Day of India. The celebration was followed up by patriotic songs and National Anthem sung by the students of our University.

Matrihasha Diwas was celebrated on 21<sup>st</sup> February, 2015 wherein competitions were organised by Prof. Shivaganga Rumma, Dean, School of Humanities and Languages on the topic "Compose and Render in Kannada" and quiz on Karnataka with emphasis on language evolution was held. Similarly, Prof. Sunitha Anil Manjanbail, Dean, School of Under Graduate Studies – organized a competition on the topic "Introduce Your Mother Tongue to Us (any language)."

## ACADEMICS

- Mr. Rabindranath Pandit** - Assistant Registrar  
**Mr. Vikramadithya A.** - Assistant  
**Mr. Mallikarjun V. Bodhankar** - LDC

The Central Universities Act (2009) mandates the University to develop the School of Study systems with a strong inter and multi-disciplinary approach. All programmes of study imbibe this spirit and are offered on the choice based credit system patterned semester wise with continuous internal assessment. The following programmes were offered during the year 2014-15:

## SC/ST CELL

**Dr. Shivakumar Deene** - Coordinator

The SC/ST Cell at Central University of Karnataka, Kalaburagi was constituted in the year 2012 as per the guidelines of the UGC, New Delhi. After the establishment of the Cell in the university, it specifically concentrated on the welfare of the SC/ST students and staff. The main aim of the Cell is to monitor the guidelines issued by the MHRD, the University Grants Commission and by the government of Karnataka from time to time. The Cell ensures the effective implementation of the reservation policies in the University admissions in various courses of studies, accommodation in the hostels, appointments to the teaching and non-teaching posts, and allotment of quarters, establishment of Book Bank in the University, and maintenance of roster register in the University.

With the objectives documented above in the SC/ST Cell of Central University of Karnataka, Kalaburagi is making its best efforts for the uplift of the SC/ST students and implementing all the directions issued by the Statutory bodies for the betterment of the SCs/STs.

The Central University of Karnataka, Kalaburagi has extended the following facilities for the betterment of the SC/ST students during the year 2014-15.

1. The SC/ST students (whose parental income is less than Rs.2.5 lakh p.a.) need not pay any form of fees at the time of admission as the same shall be recovered out of the Social Welfare Scholarship sanctioned to them.
2. So far totally 825 SC/ST Students have been benefited out of this facility during the year 2014-15.
3. The SC/ST Book Bank facility is introduced wherein each SC/ST student is entitled to get 8 books for a semester.
4. As of now in total more than 219 SC/ST students have been benefited from the SC/ST Book Bank Facility during the year 2014-15.
5. All the SC/ST students are given a lump sum of Rs. 10,000 during the entire course work so as to enable them to attend the conferences/seminars/workshops etc.
6. The birth anniversary and Mahaparinirvana Divas of Dr. Babasaheb Ambedkar has been celebrated in a befitting manner.

## CENTER FOR INFORMATION & DEMONSTRATION OF BIOFUEL PRODUCTION AND RESEARCH

**Prof. B. S. Chandrashekhar** - Head  
**Dr. Konkallu Hanumae Gowd** - Coordinator

**The Centre for Information & Demonstration of Biofuel Production & Research** was established with the collaboration of Karnataka State Biofuel Development Board and equipped with a Biodiesel production plant unit, a Research and Analysis Laboratory. The objective of the Centre is to educate students, staff and nearby villagers on the importance of green initiatives and initiate programs with the participation of rural community, NGOs, etc. The unit intends collection of non-edible oil seeds from neighbouring villages and providing employment opportunities. Students of CUK will benefit from this centre through project work & training.
