CENTRAL UNIVERSITY OF KARNATAKA
(Established by an Act of the Parliament in 2009)

No: CUK/PLAC/2019/10/

Date: 17.12.2019

CIRCULAR

Azim Premji Foundation is looking for fresh post-graduates to work with them as ASSOCIATES. They are interested in campus recruitment at Central University of Karnataka. Their team is likely to visit the campus tentatively in the third week of January 2020 for pre-placement talk and written test.

PG students in their final year in subjects like- English, Hindi, History, Geography, Chemistry, Physics and Mathematics; and Engineering students of any stream, ready to work as ASSOCIATES in Physics, Chemistry and Mathematics may participate in the recruitment process.

Detailed communication in this regard from Azim Premji Foundation is attached herewith.

As the first step of the recruitment drive, interested students are advised to register on the link: <http://bit.do/Associatecuk>

Final date of the visit will be communicated soon.

For queries in this regard, contact 9480477228.

Placement Officer 17/12/19

Greetings from Azim Premji Foundation

Thank you for extending your support during our visit to **Central University of Karnataka** last year. During the last drive, Madhuri Shanthakumar from Geography department was offered the position of Associate.

Azim Premji Foundation (<http://azimpremjifoundation.org>) is a not-for-profit organization that is working towards making deep, large scale and institutionalized impact on the quality and equity of education in India.

Associate Role

We seek to invite fresh post-graduates to join us as an Associate across 5 states (Rajasthan, Uttarakhand, Karnataka, Chhattisgarh and Madhya Pradesh) by offering an employment opportunity to those who are interested in committing themselves for a social cause.

In this role, Associates will be immersed in the realities of school education in rural India and will work closely with teachers to -

- Improve teaching practices
- Develop learning material for children
- Conduct research on issues related to classroom teaching-learning processes.

Eligibility

- Postgraduates (MA/MSc) or Integrated Postgraduate Degree in Chemistry, English, Geography, Hindi, History, Mathematics, Political Science or Physics (Full time and regular courses only)
- Engineers (B. Tech / M. Tech) interested to work in Physics, Chemistry or Mathematics (Full time and regular courses only)
- Completing the course in 2020
- Proficiency in local language

Gross Salary: 3.72 Lacs Per Annum

We are looking for individuals who are **willing to serve in rural parts** of the country, **have a passion for social change** and a **long- term commitment** to work in this sector.

We would be happy to visit your campus to meet and interact with your Post Graduate students of **M.Sc. (Physics, Chemistry & Math) and MA (English, Hindi, History, Political Science and Geography)** graduating in 2020 for Campus Placements.

Currently we do not have any openings in subjects other than mentioned and highlighted above.
